Litter Management Office

- Litter Enforcement
- Litter Prevention
- Community Engagement and support

Litter Enforcement

- **Litter Enforcement Manager & 12 Litter Wardens** (*In process of recruiting additional 6 litter wardens, 2 for night time economy*)
- **Enforcement of:-** Litter Pollution Act; Storage, Presentation (*kerbside*) & Segregation of Household & Commercial Waste; Bye – Laws for Prevention and Control of Litter
- **Typical enforcement activity:-**
Littering; illegal dumping; presentation of kerbside waste; Compliance campaigns - door to door enquiries (household/commercial e.g licensed premises, food outlets) etc
- **Fines: €150** under Litter Pollution Act, **€75** under bye-laws, escalate in court up to €4k. (1600 fines issued in 2023)

Litter Prevention

- **Implementation of CCTV scheme across the city and manage prosecutions**
Project 1: North east Inner City, 3 sites
Project 2: All Bring Bank Locations
- **Preparation of Litter Management Plan (3 year plan)**
- **Coordination of Anti Dumping Initiatives** in conjunction with Area Office
- **Ensure Litter Management Plans** in place for all events e.g; Womens Marathon, Dublin Marathon, St Annes Park, Royal Hospital Kilmainham events etc
- **Implementation of Litter Awareness/Prevention Campaigns** (e,g dog fouling, leave no trace), anti litter and graffiti schemes

Community Engagement and Support

- Green-Schools Programme - Environmental Education Programme for all schools (known globally as Eco-Schools)

- Manage the City Neighbourhoods Competition

- IPB Pride of Place

- Team Dublin cleanup

Challenges Facing the WM Service

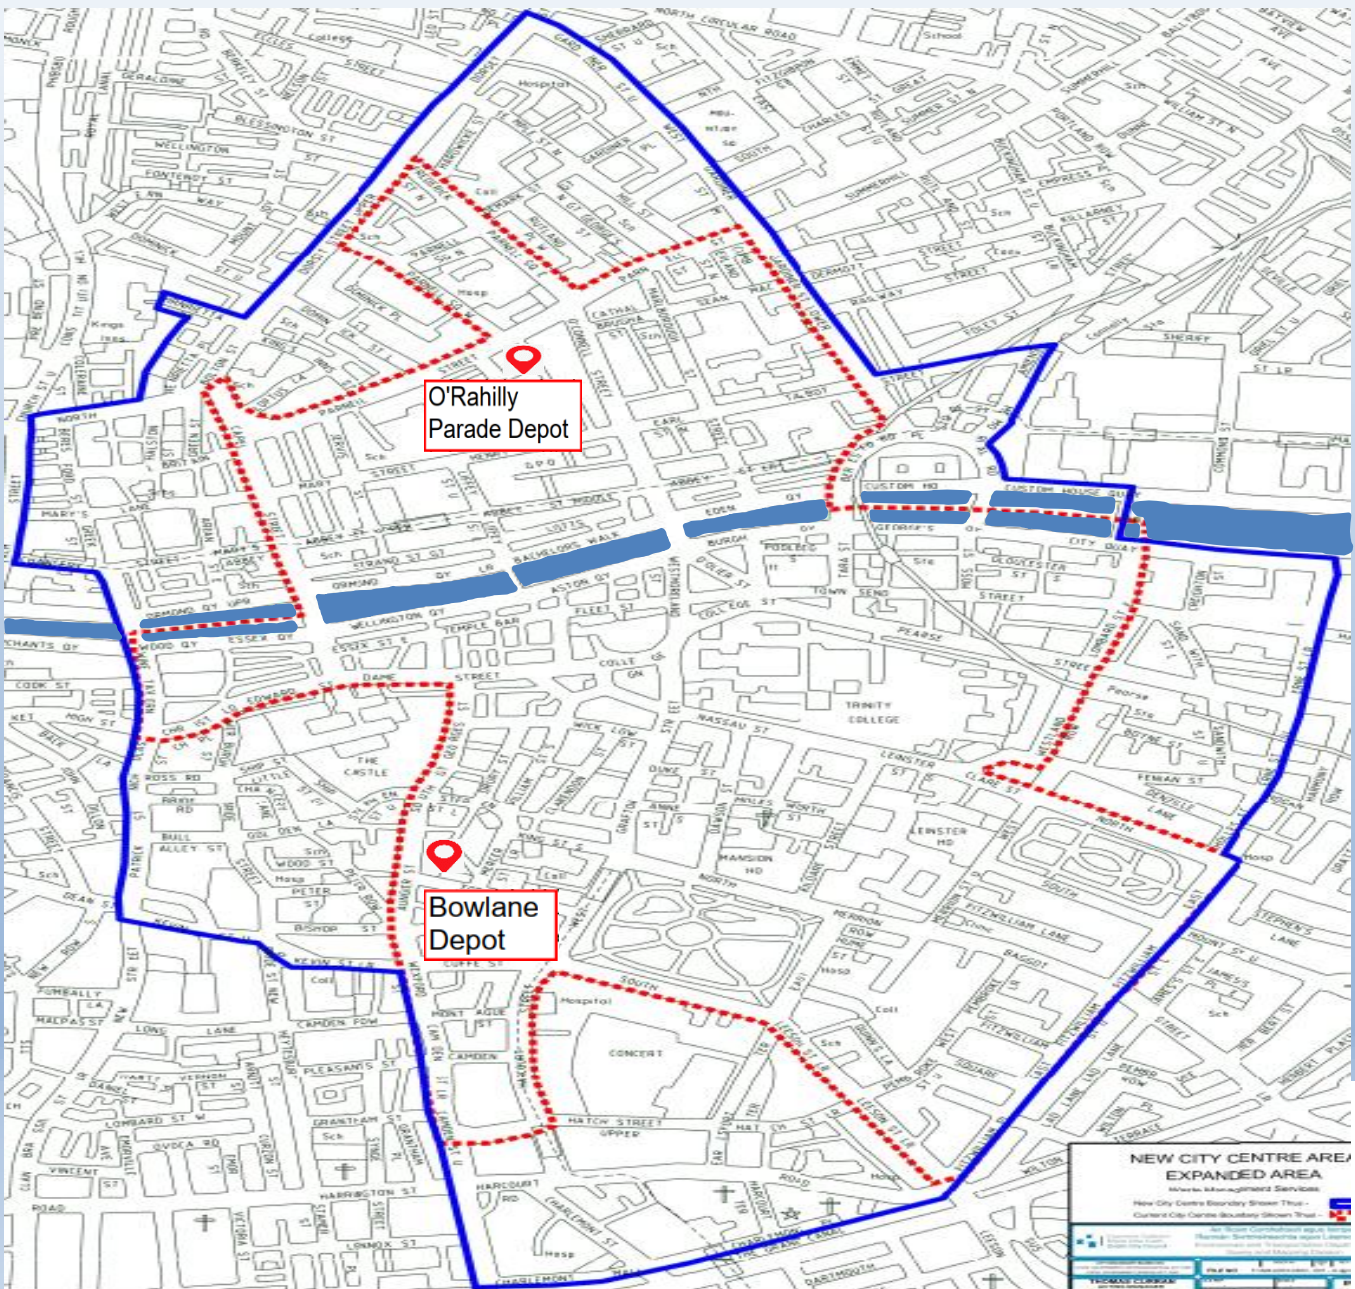

- increasing population,
- increasing economic activity, service requests (**>30,000/year**)
- tonnage of litter collected (**18000t/year**)
- **Illegal dumping (c. 3500t/yr)**
- **Consequences of Deposit Return Scheme**
- Results of litter surveys (IBAL) and need to improve, reputation of city

3 Pillar Strategy Launched 2024 to Improve the Waste Management Service

City Centre Expansion

684 Litter Bins in Existing Service

920 Litter Bins in Proposed Service

38 No. Staff X 3 Teams in Existing Service Area

50 No. Staff X 3 Teams in Proposed Service Area

Existing Service Area = 2.17km²

Proposed Service Area = 3.75km²

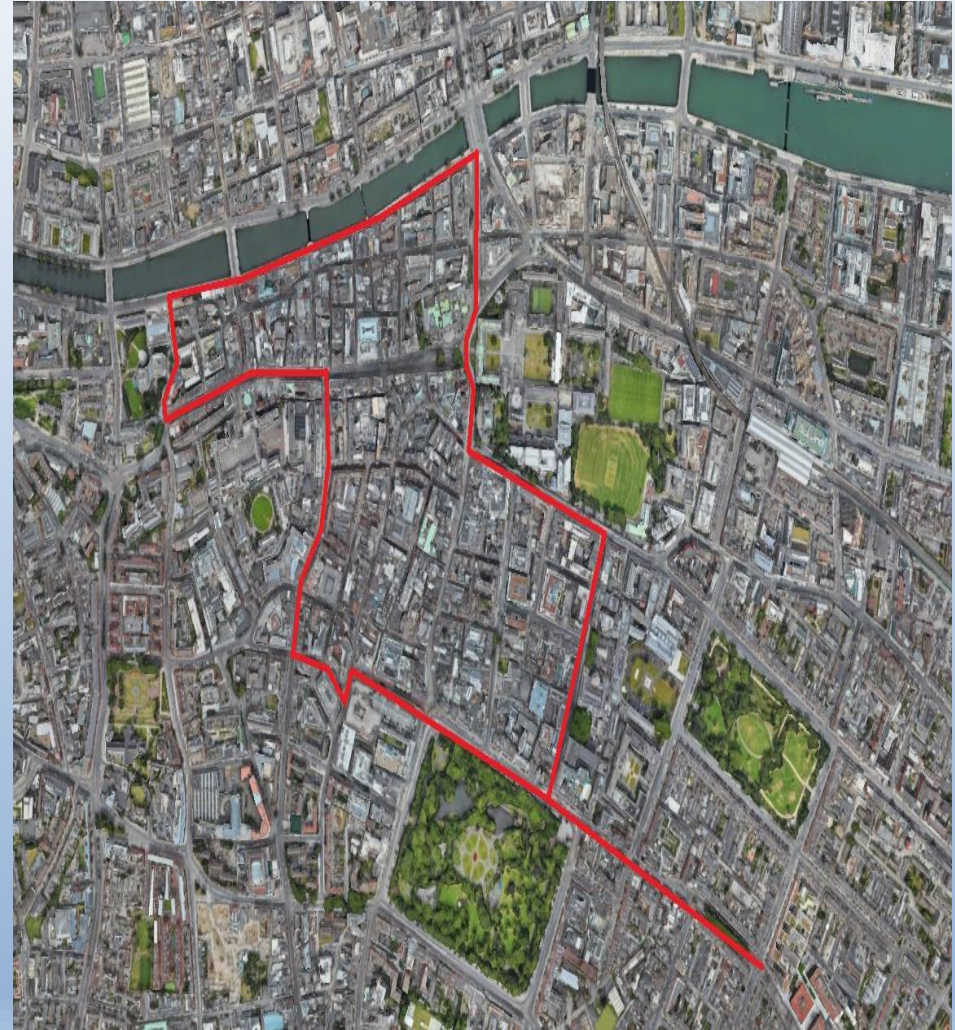

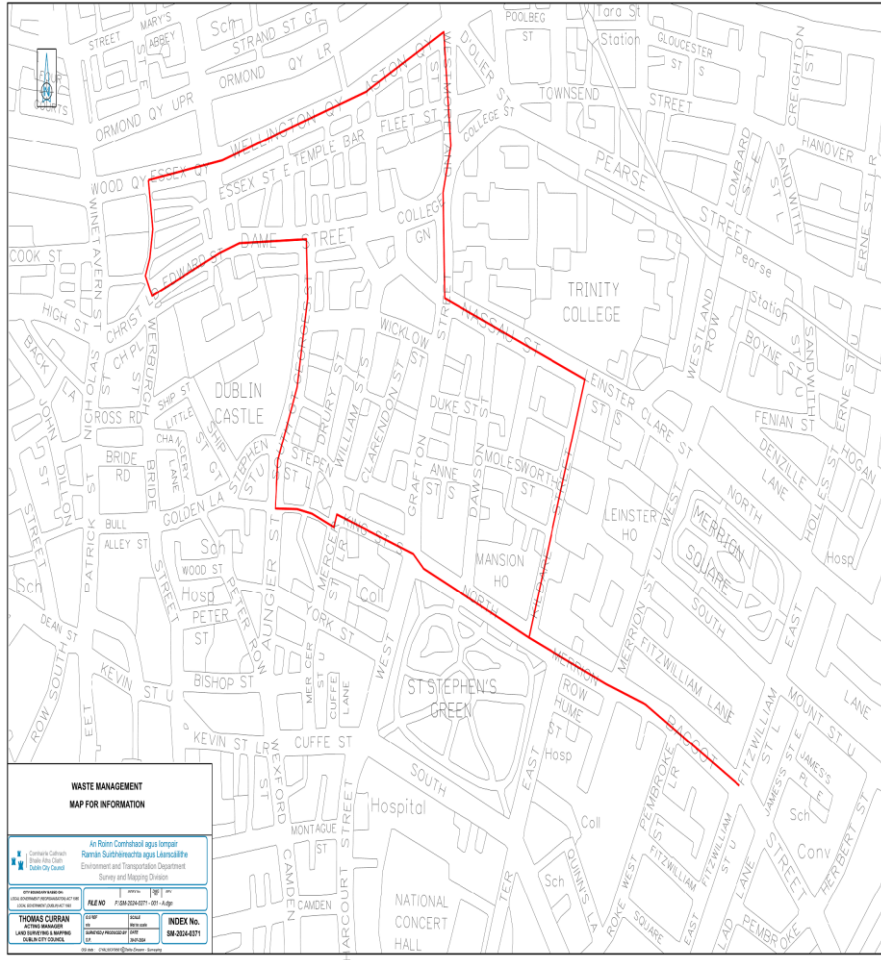

* Night Shift Staff No. increasing by +10, plus addition of 6 new wash vans
