

Environment and Transportation Department

**To the Chairperson and Members
of the South East Area
Committee**

Update on Rutland Grove and Rutland Avenue Residents' Requests.

Road and footpath repairs for Rutland Grove/Avenue remain on Road Maintenance works programme. There is a request for similar works in Nutley Area in front of Rutland Area. Due to limited resources, works are prioritised with regard to safety and accessibility. The two concrete crews are currently working on a number of wheelchair dishings for local wheelchair users in both Ringsend and Harold's Cross Cottages.

(Item G, Item J (outside numbers 39/40 and 41/42) and Item M (outside numbers 18, 40, 43, 70 and 78))

Potholes in the road surface at the estate entrance were filled in. Item I.

Parks reports that trees at location at numbers 41/42 40/39. were pruned during the summer Item J

Parks report that hedging will be planted at the brown field site to the side of the bring centre during this winter season.

Item K

The railings on top of the boundary wall with Mount Argus were put up and paid for by the residents of Mount Argus and they do not want them removed.

Item P.
