The South Central Area Committee, at its meeting on the 21<sup>st</sup> September 2016, agreed to initiate the statutory procedures to extinguish the public right of way over a stretch of roadway at Borris Court, Dublin 8. This is to facilitate the erection of lockable gates at either end of Borris Court. The extent of the proposed extinguishment is shown on the attached *Drawing R.M 36604*.

**Statutory Requirement**

By public advertisement (Irish Times) on the 27<sup>th</sup> September 2016. Representations or objections were invited by the 8<sup>th</sup> November 2016, and 2 site notices were erected at the location.

**Objections**

No formal objections were received by close of business on **8<sup>th</sup> November 2016**.

**Service Check**

Service providers have been informed of this proposal and their requirements will be facilitated.

**Recommendation**

I recommend that this Committee approve of the extinguishment of the public right of way over the area shown on drawing *R.M.36604* for consideration later by the City Council. The extinguishment of a public right of way is a function reserved for the City Council.
