Re: Pyrite Works – Additional Costs

Dear Dick,

At the meeting of the Finance Strategic Policy Committee held on 16th June 2016, an update report prepared by Peter Finnegan, Structural Engineer, was circulated and considered by the committee (copy report attached).

It was noted that a report had been requested following the Finance SPC's January meeting relating to pyrite works. I attach a copy of correspondence issued on 25th January in this regard. The members again requested that the report should include the following areas:

- Loss of housing income
- Removal costs
- Rental costs
- Additional staff costs including overtime.
- All other additional costs associated with this work

The next committee meeting is scheduled for Thursday 15th September 2016 at 3.00pm. Please advise if a report addressing the above issues would be available by Monday 5th September 2016.

Yours sincerely,

Kathy Quinn
Head of Finance
With responsibility for Information & Communications Technology
