3. Report on the Implementation of the amended Street Performance Bye-Laws

It was decided to take this item along with item 4 – Motion referred from South Central Area Committee.

The Manager gave the background on the Street Performance Bye-Laws to date. Overall there is a lot more compliance with the Bye-Laws. The appointment of four additional authorised enforcement officers and the co-operation of An Garda Síochana will have a positive impact on the Street Performers.

It was decided to make the Street Performance Forum a formal Committee where issues can be ironed out.

Action: Agreed to set up a formal Street Performance Forum with Cllr Greg Kelly as Chair.

4. Motion referred from South Central Area Committee:-

“This Area Committee expresses its disappointment in the way major amendments were made to the Street Performance Bye-Laws at the Council Meeting of Monday 4th July and feels a vote on a motion to ban busking in parts of Temple Bar should not have been taken without full debate. It is noted that at the Arts SPC it had been agreed that no ban on busking was agreed”.

Action: This item was taken with item 3 above.

5. Motion submitted by Cllr John Lyons:-

“This committee recognises the invaluable contribution public libraries and their staff have made to the educational and social life of communities across the city of Dublin and the country over many decades, is strongly opposed to the Open Libraries initiative and will support any moves by library staff and their trade union Impact to resist the introduction of staffless libraries in Dublin City”

Action: A vote from members was taken on this motion and was passed. Due to the current situation with Trade Unions and the possibility of industrial action it was not appropriate for management to comment on this motion at this stage.

10. Report on City Arts Grants – Ray Yeates, City Arts Officer

The City Arts Officer informed the Committee the Arts Grant closed November 1st. There are three categories of support:-

- Revenue Grants
- Project Grants.
- Neighbourhood Grants

Following a comprehensive review of Arts Grants it was noted there was a shortage of high quality Neighbourhood applications. The City Arts Officer made a proposal to the members for this year's adjudication of Neighbourhood Arts Grants. To recommend that €50K from the €100K of the Neighbourhood Arts Grant allocation be earmarked for partnership, €10K per area and that whether through the Neighbourhood Grants process and/or through consultation with Area Offices, a Neighbourhood Arts Project in each area be identified. The possibility of matching funding from Area Offices will also be explored. As the Arts Grants are a reserved function it will require the permission of Council.
