(a) **Amendment text**

Noting the decision by the Assistant Chief Executive on Friday 6th January 2017 to withdraw the draft timescales for the three sites included in the Land Initiative Project due to the significant concern it caused for many Councillors and recognising also the following in relation to the Oscar Traynor Land Initiative Project:

- the consequences for future consultation, engagement and input by elected members and community stakeholders of allowing this project proceed to the procurement and tendering stage;
- the lack of clarity surrounding the establishment of the Local Consultative Forum, when it is to be established, its remit and its statutory power to inform and influence the future design stages of the project;
- the lack of consultation with the Gaelscoil Colmchille regarding its need for additional land for the provision of a two-stream permanent school with necessary amenity space;

**this council calls for the Oscar Traynor Land Initiative Project report be set aside for one month to allow management to address the above issues satisfactorily.**
