Proposed Street Tree Maintenance Programme for 2017

The trees on the following roads and streets will be included in the street tree maintenance works programme for the South East Area during 2017. The works, unless otherwise stated involve pruning work.

No.	Location	No of Trees requiring work
1	Temple Road (At both sides of the road from Richmond Avenue South & Dartry Road).	55
2	Pearse Street House No. 28, (Tree Tag No. 0562) will be felled due to damage from vehicle.	1
3	Burlington Road Outside Nos. 18 - 20 / 16, 14, and at No. 21 Waterloo Road on Junction with Burlington Road.	4
4	Merrion Road Outward from outside Nos. 230, 244, 250, 256, 264, 270. Inward from Merrion Gates Nos. 175, 254, 155, 151.	10
5	Tritonville Court Trees overhanging private property	5
6	Haddington Road	32
7	Lansdowne Road At the following locations: outside IPA 60 - 62, also outside Nos. 55, 53, 51, 49, 47, 50, 40, 36, 24, 18, and 14 and outside IRFU offices and Lansdowne House.	17
8	Cowper Road Trees at both side of the road to be pruned also fell and grind stump of Horse Chestnut tree at No. 36 Cowper Road.	54
9	Westmoreland Street Prune 3 Elms (Ulmus sps.) and 3 London Planes (Platanus sps.)	6

No.	Location	No of Trees requiring work
11	Waterloo Road A total of 47 trees to be pruned at this location. Fell & grind stump of Lime tree (<i>Tilia sps.</i>) outside No. 33 Baggot Street due to decay at the base of the tree.	47
12	Pembroke Gardens Prune ten mixed tree species	10

The tree works include general pruning, removal of deadwood in the tree crown, pruning back branches to clear private property and crown reduction where appropriate. Trees on the list scheduled for removal are being felled due to structural damage, disease, poor condition and where possible will be replaced.

It is anticipated that the works will be undertaken on a priority basis over the calendar year 2017.
