**With reference to the proposed extinguishment of the Public Right of Way over a section of the laneway to the rear of 16-23 St. Ignatius Road, Dublin 7**

---

**Proposal**

A request has been made by Dublin City Council's Central Area Office, with the approval of the residents, to have the public right of way extinguished over a section of the laneway to the rear of 16-23 St. Ignatius Road, Dublin 7. The Laneway is the location of severe anti-social behaviour and Dublin City Council requested the laneway be closed to prevent this. The proposed extinguishment is shown on the attached Drawing RM 23303C.

The Central Area Committee, at its meeting on the 8<sup>th</sup> October, 2016, agreed to initiate the statutory procedure to extinguish the public right of way over this laneway under the provisions of Section 73 of the Roads Act 1993.

**Statutory**

By public advertisement on the 23<sup>rd</sup> November, 2016 representations or objections were invited by the 4<sup>th</sup> January, 2017. The site notice at this location was erected on the 23<sup>rd</sup> November, 2016.

- No objections were received.

**Service Check**

A service check has been carried out. Irish Water will require occasional access and a key will be provided.

**Recommendation**

I recommend that the extinguishment of the public right of way over the area shown on Drawing No. RM 23303c be approved by the City Council.

The extinguishment of a public right of way is a function reserved to the City Council.
