

With reference to the Proposed Redevelopment of O'Devaney Gardens, Arbour Hill, Dublin 7.

The former O'Devaney Gardens social housing complex has been demolished and is to be redeveloped for a predominantly mixed tenure residential development. The site is designated as a Strategic Development and Regeneration Area "SDRA 11" and zoned Z14 (to seek the social, economic and physical development and/or rejuvenation of an area with mixed use of which residential and "Z6" would be the predominant uses) in the Dublin City Development Plan 2016 – 2022.

The Housing Land Initiative Project Team invited submissions from Economic Operators through a procurement process to redevelop O'Devaney Gardens. The procurement process involved a number of stages: Stage 1 – Prequalification Questionnaire, Stage 2 - Competitive Dialogue and Stage 3 - Invitation to Submit Final Tender. Six candidates were prequalified and invited to participate in the Competitive Dialogue stage. Three parties participated in the Competitive Dialogue, one of the three withdrew their interest after the first Competitive Dialogue meeting and ultimately Dublin City Council issued two Economic Operators with Invitations to Submit Final Tenders. The Housing Land Initiative Evaluation Team evaluated the final submissions and their recommendation was accepted by DCC Executive.

Bartra Property Residential Holdings Limited has been selected as the most economically advantageous tender based on the specified award criteria for the competition.
