With reference to a proposal to initiate the procedure for the  
Extinguishment of the Public Right of Way over a section of the road and path that  
forms part of Bella Street (otherwise known as Rutland Cottages), Dublin 1

---

### **Proposal**

A request to have the public right of way extinguished over a section of the road and path that forms part of Bella Street (otherwise known as Rutland Cottages), Dublin 1 has been made.

The reason for this extinguishment is to eliminate anti-social behaviour and waste dumping over that part of the road and path that forms part of Bella Street. The extent of this proposed extinguishment is shown on the attached Drawing R.M. 37369.

### **Statutory Requirement**

By public advertisement, on the 18th October 2019, representations or objections were invited to be received by or before the 29th November 2019. The site notices were erected on the 18th October 2019.

No objections have been received to date.

### **Service Check**

A service check has been carried out and no service provider will need to alter the current services on or under the referred that section of Bella Street.

Accessibility arrangements, for such service providers, shall be made through the Central Area Office or through those private customers that are engaged with that service provider(s).

### **Recommendation**

I recommend that procedures be initiated under Section 73 of the Roads Act 1993 to extinguish the public right of way over the area indicated on attached Drawing R.M. 37369.
