

➤ **THE LORD MAYOR'S 5-ALIVE CHALLENGE 2020**

The Lord Mayor's 5 Alive Challenge continues! The 5-Alive Challenge encourages people to make a commitment to improve their health and fitness by taking part in some of the great road races held around Dublin.

Every year the challenge aims to inspire people to take up regular exercise and find the encouragement to stick to what may be a New Year's Resolution through to the end of March and beyond.

Over 450 participants have signed up for 2020 and are being supported by our wonderful team of mentors who completed the challenge in previous years. The mentors run every race alongside the participants pacing and encouraging those who are struggling giving the 5Alive experience a unique feeling of camaraderie.

In previous years we've found that participants have gone on to join local Athletics Clubs and have continued with a regular active and healthy regime. Before the challenge commenced the Lord Mayor commented;

"I am a beginner runner and am looking forward to taking on this challenge and improve my physical fitness with other 5 Alivers. I really believe in the benefits of regular exercise on both my physical and mental health. So many people have told me how previous 5 Alive Challenges kick started them to take up a regime of regular exercise and the difference it has made to their lives.

Paul McAuliffe, Lord Mayor of Dublin

The 1st race of the 2020 challenge, the AC Tom Brennan 5k took place on Wednesday 1st January in the Phoenix Park at 12 noon. The following four races will complete the challenge for 2020;

➤ **CHANGE FOR LIFE 2020**

Change for Life is an 8 week programme that aims to improve the health of local communities through a partnership approach designed to support people to become more physically active on a regular basis and adopt a healthier diet. The programme runs in tandem with the RTE Operation Transformation TV show.

The programme was first developed in 2013 when a partnership was developed between Dublin City Sport & Wellbeing Partnership, Fatima Groups United, Health Promotion & Improvement, HSE Dublin Mid-Leinster and Dolphin Health Project. This partnership identified a need to tackle the issues of obesity and low physical activity levels in a new and innovative way

While weight loss has always been considered an important aspect of the programme Change For Life also aims to address other health indicators that could be improved through participation such as aerobic fitness, body fat percentage and blood pressure.

Improving the psychological well-being of participants was also considered an important outcome of the programme. Following planning and consultation meetings between the partners it was decided to run a diverse health & fitness programme aimed at having a positive impact on the overall health and wellbeing of the participants.

The 2020 Change For Life program commences in early January. The programme will provide fitness assessments, a 5K timed walk (repeated at week 8) and nutritional/dietary advice. Independent nutritionists will also deliver a series of talks on healthy eating habits and dietary.

- In the Central Area the programme will take place every Tuesday and Wednesday at 6pm and Fridays at 10am in Aughrim St. Centre.

BOXING DEVELOPMENT OFFICER

- The **Startbox** Initiative, a partnership between the IABA and Dublin City Sport & Wellbeing Partnership continues to be delivered in the Central Area. The programme is an ideal way for young people (10 – 17 years) to first engage with amateur boxing, Ireland's most successful Olympic

sport. It is delivered by our 5 dedicated IABA/DCSWP Development Officers via local schools (primary & TY level) in communities across the Dublin City area. Approx 2,000 young people take part each year.

The Programme is structured into Bronze (non contact), Silver and Gold phases. The first phase focuses on general strength & fitness, method and technique. The Silver Programme consists of higher intensity sessions & limited contact and the Gold phase takes it on to another level again. Please see below details of Startbox programmes in schools
