

**To the Members of the Area Committee
South Central Area**

Community Grants Scheme 2020

Applications for financial assistance have been received from a number of bodies under the City Council's Community Grants Scheme 2020.

These applications have been assessed in the context of available finance, value to the community and compliance with the relevant policies and objectives of the Council and in particular with relevance to the Social Inclusion Strategy.

Set out below are details of the applications together with recommendations in relation to the amount of grant assistance for each applicant body.

It is recommended that Dublin City Council make the grants to the groups as set out in the report below.

There is provision in the 2020 budget to meet this expenditure.

Brendan Kenny
Assistant Chief Executive
