This City Council, noting that there is a clear alternative Liffey Quays route around Beresford Place, agrees that it would be desirable to close that part of Custom House Quay immediately in front of the Custom House to vehicular traffic on Saturdays and Sundays for a trial period of one year to see if it could provide a new civic amenity space.
- 6) Councillor Kevin Donoghue** **Submitted: 21st August 2019**

That this council notes a recent request by developers to allow for delivery of co-living units under the minimum 12 m/sq outlined in planning guidelines.

This council is wholly opposed to any such request and calls on the Planning Department of Dublin City Council to be cognisant of the Minister's guidelines on co-living. There should be no co-living units below the guidelines. Additionally we need to ensure that there is not an over-supply of co-living units in the city as it would be detrimental to the development of sustainable communities.

Dublin City Council recognises the need to reduce the level of vacancy in buildings across our city and bring such buildings back into productive use, particularly given the need for housing and community spaces. Much of such vacancy is evident in units above shops and other street level businesses. Dublin City Council requests an broad evaluation of this initiative that would allow an understanding of the awareness of the LCIU and the One Stop Shop, the success of the One Stop Shop in supporting building owners bring vacant space into

10) Councillor Cieran Perry

Submitted: 25th September 2019

That this council calls on management to ensure there are official play areas for children living in emergency accommodation. Obviously the ideal solution is to relocate those in such unsuitable accommodation to proper homes but the slow exit of families from emergency accommodation requires extra resources to be targeted at children in this predicament. The immense health and stress related issues affecting families living in such accommodation are exacerbated by a lack of designated play areas. Some hotels and hostels ban children from the public areas restricting them to their already cramped living areas. Children deserve better.
