2	7015192		Traffic Calming	MARTIN'S ROW (SC)	Dublin 20	Concern regarding volume, speed of traffic on Martins Row.	Not Recommended	<p>Martins Row has 3 pinch points which have road markings and signage put in place at all 3 locations in both directions to warn motorists of the danger ahead. It is worth noting that a special speed limit of 30km near the St Patricks School during school hours.</p> <p>With all these improvements in place and being closely monitored, it was felt that there is not a speeding problem, but to verify this, a speed survey was carried out. The speed survey has found that the 85th percentile speed on Martins Row is only 29km/hr which is well below the speed limit of 50 km/hr. During the survey which took place on Wednesday September 23, 2020, 7:00 AM - Thursday, September 24, 2020, 7:00 AM, it was noted that there was only 0.01% speeding violations during the 24 hr period.</p> <p>As a result, no further measures are recommended at this stage, but Dublin City Council will continue to monitor the area closely. Traffic volumes are an ongoing problem but this is due to limited capacity of the local road network. Dublin City Council promotes sustainable transport measures such as walking cycling and public transport.</p>	Member of the Public	08/06/2020	2
3	7017308		Disab Park Bay Residential	CLARENCE MANGAN ROAD (SC)	Dublin 8	outside 31.	Not Recommended	The address doesn't qualify for a disabled parking bay as there is a driveway at the side of the house.	Member of the Public	12/10/2020	0
4	90048856	SP_37725	Pedestrian Crossing	KYLEMORE ROAD (SC)	Dublin 10	Request for pedestrian crossing on Kylemore Rd south of Bluebell Avenue.	Recommended	SR recommended. After several site inspections the area engineer would recommend the installation of a Pedestrian crossing at this location. This has been put forward for consideration for the future works programme.	Member of the Public	27/04/2017	0
