118	7016628		SAINT LAURENCE ROAD (SC)	Traffic Calming	Request for more speed ramps on St. Lawrence's Road, Chapelizod. There's some as you go down the hill under bridge but there are none at the houses so cars are speeding. Will be lethal during winter nights. Also need more speed signs	02/09/2020	2
119	7016648		GALTYMORE ROAD (SC)	Parking Restrictions	The difficulty our customers have getting parking outside of our shops has progressively become worse in recent times. Many cars parked outside the shops don't move from early morning to late in the evening which suggests many people are using these already limited spaces as a park and ride for the Drimnagh luas stop which is situated nearby. We currently have no way of stopping this from happening. We feel that the parking directly outside of our shops should be reserved solely for customers who are using the local shops and businesses.	03/09/2020	2

122	7017153		ARDEE STREET (SC)	No Parking (Rescind)	I write to you in relation to a parking matter on Ardee Street, Dublin 8. See attached photo. Residents in the three houses use the space right outside their front door for parking. There is no other parking available to these residents as the space directly across from their houses has ?no parking signs?. The residents in question also feel that parking outside their own property is responsible and that they have been unfairly warned and causes no interference to any pedestrians walking on the footpath. Additionally the residents also feel safer parking their cars as it provides them the opportunity to keep an eye on their vehicles. Could I please ask that some leniency be shown to the residents in question and that they would still be able to park outside their properties.	01/10/2020	2
