value of the arts

Outcomes

It has been a lifeline for me...Angela

Being in the orchestra is like a sedative, it gives me a feeling of overwhelming peace...Sue.

I am proud to be part of this community. John.

It has changed my life...Úna...

It has been a life affirming experience.... The power of playing with others is truly amazing..

I joined CCMA in 2013 to go to piano classes. At Christmas, there was a concert in the school hall. The headliners were the (Parent's) String Orchestra. They were magnificent. I thought the next day would never come, so that I could join up.

Just a great way to join a group of people like myself having fun and adding to life. Veronica

A super addition to my old primary school; my nieces, nephews, my dad and myself have learned instruments; a some have played in Christchurch! And the NCH; I've enjoyed concerts/pantos; and done marathons 😊 an inspirational project.
