1	7017856		Double Yellow Lines	SWEENEY'S TERRACE (SC)	Dublin 8	On east side of Sweeney's Terrace to aid access to depot	Recommended	It is recommended to install parking restrictions, specifically Double Yellow Lines RRM 008, on the west side of Sweeney's Terrace in front of the waste management depot to enable waste management vehicles access and egress to the depot (which has been repeatedly blocked by parked vehicles). STAT: Install Double Yellow Lines on the west side of Sweeney's Terrace, starting from a point 10metres south east of Lamp Standard 3, extending in the southward direction by 15metres. 2	7017976		Disab Park Bay General	DRUMFINN ROAD (SC)	Dublin 10	at St. Lousies school, Drumfinm Road.	Recommended	SR recommended – After a site visit it was noted that there was a high demand for parking in the area during drop off and pick up times for school. For this reason I would recommend a disabled parking bay outside the south gate of St Louise School.  Stat – install a disabled bay outside the southern entrance to St Louise School parallel to the kerb on the northern side of the carriageway of Lough Conn Road across from LS1 ( to the east of the vehiclar dishing)	Member of the Public	19/11/2020	0
