2	7018249		Disab Park Bay General	TEMPLE STREET (C)	Dublin 1	Review of disabled parking bays.	Recommended	<p>In order to improve the provision of disabled bays in front of Temple Street Hospital it is recommended to relocate them to the western side of the main entrance, in closer proximity to the entrance and bring the size of the bays up to current standards. The below recommendations set these proposals out.</p> <p>It is recommended to rescind Pay &amp; Display Parking on the north side of Temple Street, starting from the western end of parking which is located 5m east of the junction with Georges Place, extending east for 20m to meet the Ambulance road markings. Replace the rescinded parking with 3 No. Disabled Bays, each bay a minimum of 6m each with the remaining space appropriated as buffer zones in between bays.</p> <p>It is recommended to rescind the existing 3 No. disabled bays on the north side of Temple Street, starting from the eastern end of the bays which is located 2m west of the junction with Nerney's Court, extending west for 14.4m to meet the Ambulance road markings. Replace the rescinded disabled bays with Pay &amp; Display Parking (Monday to Saturday, 07.00-19.00).</p>	Internal	03/12/2020	0
