

Motions to the Area Managers
Central Area Committee meeting
9th February 2021

Item 1

Motion in the name of Councillors Christy Burke, Nial Ring and Anthony Flynn

That this Central Area Committee extend its condolences to the family of the street trader from "The Hill", Mrs. Tess Carroll, age 88 who passed in Jan 2021.

Item 2

Motion in the name of Councillor Christy Burke

That this Central Area Committee calls on the Gardaí and LUAS security personnel to address the ongoing anti-social behaviour by street drinkers at the LUAS stop on Dominic Street. The local residents are also annoyed and upset with the anti-social behaviour from the street drinkers, who are on the street most of the day.

Item 3

Motion in the name of Councillor Colm O'Rourke

That this Central Area Committee agrees that Dublin City Council should relocate a bike bunker that was installed at the corner of Primrose Street and Fontenoy Street in Dublin 7. Residents are concerned that the current location is a danger to road users and that it is still located too close to a fire hydrant. Residents are happy to retain the bike bunker for the area but ask that the exact location be reconsidered due to these concerns.

Item 4

Motion in the name of Councillor Joe Costello

That this Central Area Committee calls on Dublin City Council to survey its housing stock and public buildings with a view to installing PV solar panels and green roofing where suitable.

Item 5

Motion in the name of Councillor Joe Costello

That this Central Area Committee expresses its sincere sympathies to the family of the Larkin College student and Bohs-St Kevin Boys football player who was tragically killed in East Wall and calls on the Gardaí to take urgent action to deal with the increase of knife crime in the Inner City.

Item 6

Motion in the name of Councillor Janice Boylan

That this Area Committee calls on Dublin City Council to immediately undertake full remedial works on the former Magdalene Laundry site on Seán Mc Dermott Street to ensure the integrity of all structures on site.

We ask this as a matter of urgency given that the site is publicly owned; its historical importance; its connection to a previous government commitment to survivors of the Magdalen Laundries; the recent government commitment to establish an archive of records related to institutional trauma during the 20th century in addition to the opportunities the site offers in terms of meeting the overarching objective of the Dublin City Development Plan to develop the site in an inclusive way which improves the quality of life for its citizens, whilst also being a more attractive place

to visit and work through the provision of public housing to include cost rental and cost purchase, education facilities, community resources and employment opportunities.

We the elected Councillors have a responsibility to ensure to work with all stakeholders to ensure that we deliver in full on existing commitments to the social history of the site and to its obvious economic, social and cultural potential.

Item 7

Motion in the names of Councillor Janet Horner, Councillor Darcy Lonergan and Councillor Cat O'Driscoll

That this Area Committee agrees to scale up the "Adopt a Street" campaign in the North Inner City in response to the growing scale of the litter and dumping crisis - delivering equipment to any residents who request it to support clean ups and rewarding communities who participate with additional public realm measures e.g. planters.

Item 8

Motion in the names of Councillor Janet Horner, Councillor Cat O'Driscoll and Councillor Darcy Lonergan

That this Area Committee agrees to engage with An Garda Síochána and the Parking Enforcement Unit to agree a strategy to eliminate footpath parking in the Central Area, recognising that it is currently an offence and is a significant obstacle and threat to the safety of PWD, buggies, etc.

Item 9

Motion in the name of Councillor Declan Meenagh

That this Area Committee requests that Dublin City Council open the public walkway between Church Avenue and St. Mobhi Boithrin, Glasnevin, Dublin 9.

Item 10

Motion in the name of Councillor Janice Boylan

That this Area Committee calls on the Garda Commissioner Drew Harris to make sure the resources are in place to fully investigate the fatal stabbing that occurred in East Wall that resulted in the loss of a 16 year old teenager's life. And that we the committee members send our condolences to the family. Furthermore, we call on the Commissioner to take immediate action to tackle the rise in knife crime across the city and to make sure that all necessary resources are available to the Gardaí and community.
