Dublin City Council carried out a thorough clean up on the River Road on 27<sup>th</sup> and 28<sup>th</sup> February 2021. Due to the lack of footpaths and the dangerous bends on the road, traffic management was put in place to allow crews from Waste Management and Drainage Services to work safely. All gullies were cleaned, overgrowth cut back and the margins and ditches were litter picked. Road sweeping machines completed the task of cleaning the carriageway.
