2 Vision/Mission & Objectives

LEO Vision:

To develop and sustain a positive enterprise ecosystem throughout Dublin City that will in particular drive new added-value start-ups, the further growth of small and micro enterprises and enhance local economies.

Mission Statement:

We aim to promote entrepreneurship, foster sustainable business start-ups and develop existing micro and small businesses to drive job creation and to provide accessible high-quality supports for your Business ideas.

2 Objectives

Entrepreneurs and Businesses are supported to:

- **Increase exports**
- **Build resilience**
- **Increase productivity**
- **Prepare for the Low carbon economy**
- **Embrace the Digital economy**
- **Innovate**
- **Be managed by ambitious & capable individuals**
- **Fuel regional growth**

3 Strategic Priorities

The LEO Dublin City Business Advisors will use the LEO support services, Dublin City Enterprise ECO system to encourage and advise client companies to become:

- **More Competitive,**
- **Digitised,**
- **Green and Sustainable,**
- **Innovative,**
- **Increased Exporting and Internationalisation,**
- **Improve their Management Skills and Leadership**
- **Engage in more Networking.**

A new Consultancy Panel of Experts in these areas is being formed.

4 Actions & Activities

The following protocols govern dissemination of information, information signposting and inter-organisation referrals. Local Enterprise Office Dublin City will continue to implement these protocols on an on-going basis and review locally as required.

- **Department of Social Protection**
