Cabra/Glasnevin Community and Social Development Report

The Community Officers continue to manage the Covid Support line as a priority.

Again, local volunteers have made an enormous contribution in bringing the necessary assistance to people in need.

As always, we continue to support all community groups, senior citizens especially, during these difficult times.

Community life continues at a careful Covid friendly level; clean-ups, flower planting etc.

We hope to have our summer flower show as usual in late May. This will involve over 70 voluntary residents / environmental groups.

Special Note

Many residents / environmental groups including individual residents, have expressed their great sadness at the recent passing of Ed Bowden, Blessington Basin Park.

Ed has made a major contribution over 25 years. Ar dheis Dé go raibh a anam.
