

Question to the Chief Executive

**South East Area Committee
Meeting 13th September 2021**

Q.1 Councillor Dermot Lacey

To ask the Manager to clarify plans for the installation of a toucan crossing at Serpentine Avenue referred to in the following email and to provide drawings in which such a crossing is included.

From: SEA Questions and Motions <SEAQANDM@dublincity.ie>
Sent: Thursday 15 July 2021 13:38
To: Cllr Dermot Lacey <Dermot.Lacey@dublincity.ie>
Cc: SEA Questions and Motions <SEAQANDM@dublincity.ie>; John MacEvilly <john.macevilly@dublincity.ie>; Mary Taylor <mary.taylor@dublincity.ie>; Brian Hanney <brian.hanney@dublincity.ie>
Subject: 6.i TAG Serpentine Avenue Pedestrian Crossing , SEAC follow up Jul 21

Good afternoon Councillor,

Further to your request at Monday's SEAC meeting for a report on the Serpentine Avenue pedestrian crossing please see below the response from Traffic:

"The area engineer has looked into the matter of a pedestrian crossing on Serpentine Avenue at the junction with Merrion Road. The area engineer is not in favour of locating a pedestrian crossing at the aforementioned junction, as part of Route 14 (UCD to Ballsbridge) to enhance walking, cycling and bus infrastructure on key access corridors in the Dublin region. There are proposed plans for the junction of Serpentine Avenue and Merrion Road, in terms of providing TOUCAN crossing points across Serpentine Avenue and Merrion Road. This will require the junction to be upgraded and improved, the area engineer is not in favour of providing a pedestrian crossing at this location, where funding has been made available by the National Transport Authority through Bus Connects for major improvements to this junction.

Q.2 Councillor Tara Deacy

Can a ramp be put in place on the footpath at details supplied as the resident is wheelchair bound and cannot lift the chair over the footpath as it stands due to its height and depth? It was previously deemed a medical emergency and correspondence has already been made with DCC.

Q.3 Councillor Tara Deacy

Could the utility boxes (Virgin, ESB, traffic) alongside the canal on Parnell Road be painted and could graffiti be removed from the Health Centre and Scout Den on Parnell Road?

Q.4 Councillor Tara Deacy

Could the manager look at the parking scenario at the shops at 116, 118, 120 Sundrive Road? Vehicles are dangerously double-parking here. Vehicles and cyclists exiting from Ferns Road (looking towards Sundrive Park) cannot see other vehicles turning left at speed from Sundrive Park. Can something physical be done with this space to prevent double-parking like the reduction of the length of the car parking spots, introduction of markings on street?

Q.5 Councillor Tara Deacy

Could the manager look at the chaotic parking situation outside the DCC Depot on Sundrive Road? The paths are blocked here with vehicles on a regular basis. Could either spaces be marked on the path with enough space for pedestrians or can no parking marking be put on the pathway to prevent this? I witnessed a mobility scooter user having to do a U-turn and cross the road the other day due to inconsiderate parking here.

Q.6 Councillor Tara Deacy

Could the broken utility box at 173 Clonmacnoise Road beside the bus-stop be removed?

Q.7 Councillor Tara Deacy

Could bollards be added outside 27a Ravensdale Drive? Despite yellow lines, cars are still parking here and making it impossible for people in wheelchairs and buggies to get to the park safely. The area is also on a corner and makes it dangerous for road used.

Q.8 Councillor Dermot Lacey

To ask the Manager if Dublin City Council is aware of the ownership of the lane (and the plot of land at the top of the lane) to the rear of Beach Avenue, Sandymount and if they could contact the owner with a view to having the very high trees overhanging and blocking light from some of the houses seriously pruned.

Q.9 Councillor Dermot Lacey

To ask the Manager if as a matter of urgency they will respond to the complaint lodged with Dublin City Council (DCC Response ID ANON- NAQ6- 68AC-8 Ref no: 7020778) regarding an overlong parking bay that blocks are existing the property of *(details supplied).

Q.10 Councillor Dermot Lacey

To ask the Manager if he would arrange for the street signs at the following to be instated or repaired as requested

l) Street signs as follows:

a) Street sign for Mornington Road at entry from Ashfield -No sign at all at the moment

b) Street sign for Mornington at the upper end-junction. Current sign unreadable as lettering removed

c) Street sign for Chelmsford Lane at junction with Sallymount Avenue, current sign unreadable as above.

d) Two street signs on Triangle (over Quillsenens estate agent)

e) Saying Cullenswood Road -the official name for that short section and ii) Saying Charleston Road with arrow as Charleston Road starts after Luas bridge.

Q.11 Councillor Dermot Lacey

To ask the Manager if he will respond to the following:

Footpath no.70-88 (Chelmsford to Chelmsford lane section of 'Ranelagh'). What is status of proposal to repave with granite paving?

Q.12 Councillor Dermot Lacey

To ask the Manager if he could arrange to have the double yellow lines referred to in the email below reinstated as soon as possible. It refers to Swan Place, Dublin 4.

Q.13 Councillor Tara Deacy

Can the footpath at 42 Lavarna Grove be repaired as soon as possible, there have been a number of accidents in recent months and the residents have requested its repaired as a matter of urgency? Please see the photos attached, it is in very bad condition.

Q.14 Councillor Paddy McCartan

To ask the manager to deal with the following issue from a constituent. The case number is 2587126 and has been previously reported to DCC.

He writes,

"The footpath on Gilford Road between Brabazon House and the Strand Road is now in an even more dangerous condition than previously. Given that this section of footpath is used by a lot of elderly people, including the residents of Brabazon, it is essential that it is repaired to an acceptable standard immediately."

Q.15 Councillor Paddy McCartan

Could the manager address the following issues raised by a constituent?

He writes,

Flood Relief. DCC is procuring a consultant for planning and constructing a new boardwalk along the strand, to combine cycling access with increased flood defences at the North Strand, Village area.

Flood Defence Project - phase 1 (section along the Strand promenade) is due to start in September 2021.

Do you know if a consultant is on board?

Do you know if the timeline for the Flood Defence Project phase 1 is on target?

What exactly is going to be done?"

Q.16 Councillor Paddy McCartan

To ask the manager to respond to the following issues concerning Strand Road cycle route.

He writes,

"My concern here is that DCC are spending the public's money on implementing these decisions and then the public have to spend their own money to fight the case, it's very easy for DCC to say that they are going to appeal the decision but they are spending OUR money and not their own in doing so, there's something wrong with that.

Anyway originally there was some thought about incorporating this cycle track into the proposed boardwalk on the seafront that was being considered, but now we're all reading the alarming reports that this area and the surrounding areas will be underwater by 2030 as it is as we all know, considered a flood plain, so why are DCC not being proactive and start building the flood defence on the sea front and they could incorporate the cycle path into that.

This flood defence was mooted about 12 months ago and I believe would take about 3 years to complete so now 1 year has gone by and nothing has been done. I think that this proposed flood defence and cycle track should be put back on the agenda for

discussion, which I believe would get the support of both sides, i.e. the cyclists and the residents because everybody is then a winner."

Q.17 Councillor Paddy McCartan

To ask the manager to repair the footpath adjacent to 14 St. Mary's Road, Ballsbridge. This is the third time this was requested, the last time being September 2020 and nothing has been done. The issue has become one of safety, as many of our senior citizens are now venturing outside following the easing of pandemic restrictions.

Q.18 Councillor Paddy McCartan

To ask the manager to arrange to have the name plate on Airfield Court, Donnybrook repainted.

See pic below,

Q.19 Councillor Paddy McCartan

To ask the manager to have a general tree pruning on Airfield Park, Donnybrook with particular emphasis on a cherry tree adjacent to number 4 Airfield Park, Donnybrook.

Q.20 Councillor Paddy McCartan

To ask the manager to respond to the issue raised from a constituent pertaining to Sandymount Green.

He writes,

"I feel there is a great opportunity with the right investment by the council to make this into a great civic space addition to Sandymount Village. If permanently pedestrianized, it could serve both as a place for adjacent restaurants to have outdoor dining creating a unique atmosphere. It could also be used as a space for market stalls for market type events. In Dun Laoghaire they have beautiful pedestrianized spaces with large umbrellas for rainy weather so an undercover space can be made easily. They are nicely surfaced and have nicely arranged public seating in these areas that we could easily emulate in this Sandymount Green adjacent street. These large umbrellas in combination with tasteful lighting could make this an atmospheric location.

I feel it would be a great opportunity lost to allow this street to return to normal. If implemented correctly this would be a great addition to the village. Any councillor with the initiative to get behind such a project I feel would gain great credit in the community for such a proactive and beneficial addition to the village. While some may complain about the inability to drive down that road the other side of Sandymount Green provides easy access to Newgrove Avenue.

I ask you that you put forward a motion to make this street permanently pedestrianized and supply funds to resurface it and establish large umbrellas (as can be found in Dun Laoghaire) and tasteful public seating and lighting."

Q.21 Councillor Mannix Flynn

Can the manager supply a full report with regards the possible disposal of the building Chatham Street School of Music on Chatham Street? This report to include a full appraisal of the building and its condition. Its status as a listed building. How DCC made the decision to dispose of this building? Has the Council considered any further

use such as performance space, cultural centre, art gallery, live music venue, dance studio?

Also, to supply a full report on the evaluation of the building.

Q.22 Councillor Mannix Flynn

Can the manager as a matter of urgency address the issue of a massive rat infestation in and around the York Street apartments in York Street, Glovers Court, Mercer Street area?

Q.23 Councillor Mannix Flynn

Can the manager have the Parks Department prune the trees at the top end of Clanbrassil Street which are in front of the city council houses? There is a cluster of trees here which entirely block the lights of the residents. There is also a huge issue in relation to the sap that comes off the trees and indeed fallen leaves. There has been very little maintenance of these trees over the years. Many residents want some of these trees removed and those that remain pruned and kept in proper order. The residents have to keep their lights on throughout the day, as there is no light. This is unacceptable, very costly and leading to fuel poverty for many of our residents here.

Q.24 Councillor Mannix Flynn

Can DCC consider purchasing the site of land which is now in Peters Place for a 'Pocket Park' of green space for the residents?

Q.25 Councillor Mannix Flynn

Can the manager ensure that the proclamation in the Rotunda of City Hall is properly displayed and simply not discarded and dumped into a corner? This is a very important document that deals with our history and it is entitled to a dignified position within City Hall rotunda. Consideration should be given for a proper proclamation to be mounted permanently on the wall of the Rotunda and that consideration be given to the removal of the triptych of Anne Madden's work and be replaced by the proclamation at this location. It is more appropriate to have the proclamation in this building than a permanent display of Anne Madden's work which can be relocated to the Hugh Lane Gallery or Civic Offices.

Q.26 Councillor Mannix Flynn

Can the manager issue an update with regards the process of the orders of protected structures that were agreed by DCC and the South East Area with regards the RTE campus?

This report to include when this order of protected structure is due before the council? Why has there been such an undue delay in protecting these important buildings? When can we see a positive outcome here?

Q.27 Councillor Mannix Flynn

Can the manager issue a full report on how DCC SEA intend to deal with the upcoming fireworks issue this Halloween (Samhna)? Already we have many tenants and city residents and businesses complaining about the use of fireworks.

As you are well aware last year there was fireworks mayhem. Can DCC publish their plan in conjunction with An Garda Síochána as to how this issue is to be dealt with and what protections are going to be afforded to the many residents, particularly in our flat complexes who have to put up with this dreadful situation year on year?

Q.28 Councillor Deirdre Conroy

To ask the manager and Parking Department if double yellow lines are acceptable to be provided outside The Village Inn Lisle House, Lisle Road, Dublin 12. Proprietor

Larry O'Shea, as there is parking on the road, which blocks customers accessing or leaving the Village Inn external car park.

Q.29 Councillor Deirdre Conroy

To ask the Manager and Parking Department to address the illegal parking at Kimmage Grove – Larkview Football Club at the entrance of the estate where I am advised by the enquirer that drivers are blocking the cul de sacs each night, parking on yellow lines and on the grass verge.

Q.30 Councillor Claire Byrne

To ask the Area Manager for a progress report on 'the compiling of an application to the Department of Housing, Local Government and Heritage for the demolition of Glovers Court and replacement with more and better new homes' as stated in response to my motion in May 2021, and if this application has not yet been submitted can the area manager please provide an timeline as to when this application will be submitted.

Q.31 Councillor Claire Byrne

To ask the Area Manager if he will please examine the possibility of implementing traffic calming on Grattan Street, Dublin 2. The street is being used as a rat run with cars travelling at high speeds and something needs to be done urgently to calm the flow. Options to consider could include installing traffic lights at the junction of Lower Mount Street, introducing a one way system and pedestrianizing part of the street.

Q.32 Councillor Claire Byrne

To ask the Area Manager can he please provide an update on what action will be taken with regard to the following property at details supplied which has been listed as a derelict building and entered into the Derelict Sites Register in July 2019.

Q.33 Councillor Claire Byrne

To ask the Area Manager can he please provide an update on the redevelopment of St. Andrew's Court, and he can he provide a timeline for these works. The residents are living with severe damp problems and they have access issues due to barriers along the shared corridors.

Q.34 Councillor Claire Byrne

To ask the Area Manager can he please provide an update on the following?

- Dublin City Council meeting with the developers of the hotel at Portobello Harbour
- The installation of a coffee dock and public toilets in Portobello

Q.35 Councillor Claire Byrne

To ask the Area Manager what action can be taken by Dublin City Council to support the residents of Poolbeg Quay in fixing the ongoing water ingress issues the complex is experiencing and can he outline what financial support is available to the residents from DCC given that they were built by DCC as the costs quoted to fix the problems are unaffordable to the residents and the management company.

- Q.36 Councillor Claire Byrne**
To ask the Area Manager has an there been an impact assessment of traffic increases on Fishamble Street as a result of the pedestrianisation of Parliament Street, and would Dublin City Council consider making Fishamble Street one way.
- Q.37 Councillor Danny Byrne**
To ask the manager if there is a greening strategy for the south-east area and if so to please provide me with details of same.
- Q.38 Councillor Danny Byrne**
To ask the manager if sections of our parks in the south east area can be made into small dog parks where owners can allow their dogs "off leash ".
- Q.39 Councillor Anne Feeney**
To ask the Manager to arrange for the brambles in Mount Argus Park to be cut back as they are a danger to pedestrians and small children in buggies.
- Q.40 Councillor Anne Feeney**
To ask the Manager for an update on the Traffic Management solution options for Rathdown in Terenure. This was promised at a meeting of the South East Area Committee on 2nd Feb 2021. Seven months wait and no proposed solutions/options is unacceptable to this Councillor and local residents.
- Q.41 Councillor Anne Feeney**
To ask the Manager for an update on the long overdue resurfacing of Clareville Road, Harold's Cross. The road surface is in a shocking condition, particularly given that it is a road with heavy traffic and two regular bus routes (83 and 18). In which quarter of 2021 or 2022 will this work be undertaken?
- Q.42 Councillor Danny Byrne**
To ask the manager if some or all of the benches along the Grand Canal which are backing on to streets be re positioned as requested by residents.
- Q.43 Councillor Pat Dunne**
Can a Traffic Management and Parking scheme be put in place to deal with the traffic chaos that regularly occurs on Windmill Road in the vicinity of Willie Pearse Park? When football matches and training are taking place local residents cannot get in out of their own homes. Can our Traffic Advisory Group have this road surveyed and then put in place measures to deal with this problem?
- Q.44 Councillor Pat Dunne**
Can the green at the entrance to Aisling Close Dublin 12 be reinstated following damage caused in recent months?
- Q.45 Councillor Daniel Ceitinn**
To ask the Manager if he will arrange to have the shrubs in the garden to the rear of the back block in Beechill Villas removed as they are giving cover to significant anti-social behaviour in Donnybrook and being used as a storage area for drugs and alcohol.
- Q.46 Councillor Daniel Ceitinn**
To ask the manager if he will write to the Gardaí in Donnybrook and request that Gardaí continue to disrupt the late night anti-social behaviour in the rear gardens of Beechill Villas.

- Q.47 Councillor Daniel Ceitinn**
To ask the Manager for an update on a request for Double Yellow Lines on Sundrive Road from outside number 87 as far as number 53 (Enquiry Ref: 7021266).
- Q.48 Councillor Daniel Ceitinn**
To ask the Manager for increased illegal parking enforcement measures at the junction of Blarney Park and Sundrive Road, in particular if workers at the adjacent Dublin City Council yard could be asked to be mindful of causing obstructions to pedestrians when parking council vehicles on footpaths.
- Q.49 Councillor Daniel Ceitinn**
To ask the Manager if a public bin could be installed on the footpath outside Centra on Kimmage Road Lower.
- Q.50 Councillor Daniel Ceitinn**
To ask the Manager if an outdoor exercise machine could be installed at the park on Neagh Road.
- Q.51 Councillor Daniel Ceitinn**
To ask the Manager if a family will be rehoused (details supplied)
- Q.52 Councillor Daniel Ceitinn**
To ask the Manager if he will liaise with the relevant authorities to arrange for brown tourism signs for Poolbeg Lighthouse, swimming locations, and the Shelley Banks as well as other notable locations on the Poolbeg Peninsula, in particular from the roundabout at Sean Moore/Pigeon House Road.
- Q.53 Councillor Daniel Ceitinn**
To ask the Manager if he is satisfied that the necessary traffic and parking arrangements will be in place to facilitate the major development of the Irish Glass Bottle site and if he will elaborate on the Council's engagement (previous or planned) for same.
- Q.54 Councillor Kevin Donoghue**
To ask the manager for a report on the usage of Capel St/Parliament street during the trial pedestrianisation.
- Q.55 Councillor Kevin Donoghue**
To ask the manager if the lanes at the 'new houses' in Irishtown could be flagged for clearing.
- Q.56 Councillor Kevin Donoghue**
To ask the manager if it would be possible to engage with insurance Ireland regarding the difficulty of homes in Ringsend and Irishtown in securing home insurance, particularly flood insurance, to see what measures the council might take to mitigate this difficulty.
- Q.57 Councillor Kevin Donoghue**
To ask the manager to host a meeting with Cllrs for the South East Inner City and Gardaí from Pearse street to discuss recent events in the area
- Q.58 Councillor Kevin Donoghue**
To ask the manager for a report on the use of CCTV in the Pearse Street area, if there have been cameras broken and repaired etc.

Q.59 Councillor Kevin Donoghue

To ask the manager to add Bath Avenue and satellite streets to the programme for tree pruning.

Q.60 Councillor Kevin Donoghue

To ask the manager if the ESB are installing electric car charging units being installed on Bath Avenue and if so where they will be placed.

Q.61 Councillor Pat Dunne

Captains' Place. With regard to the newly built older persons' apartment blocks beside the Rosary brought up the following points:

Could the feasibility of adding some recycling banks near their building be examined? Also, could an update be given on the building sites and hoarding? There is constant dumping and it is visually unattractive, and residents feel like they are living in a building site.

Q.62 Councillor Pat Dunne

In relation to Star Bingo Lane entrance to Willie Pearse Park could a meeting be held with Parks, Star Bingo and local residents to see how they laneway can be made safer, reduce dumping fires and anti-social behaviour.

Q.63 Councillor Pat Dunne

There has been an increase in fires in the last few weeks in the Crumlin area. Lourdes football pitches and fires on Sundrive & Bangor Circle. These fires happen at night-time but when Gardaí are called the debris is not removed and the fires are often lit a while later. Can an interim solution until Halloween be set up to allow for these items to be removed as a priority to prevent fires and to liaise with Gardaí? Similarly, when fires occur, can the removal of debris be removed quickly, and the area cleaned up.

Q.64 Councillor James Geoghegan

To ask the Area Manager if Granite Place, Ballsbridge, Dublin 4 can be resurfaced.

Q.65 Councillor James Geoghegan

To ask the Area Manager to ensure that the dangerous hole in the path on Dunville Avenue as per the attached image is fixed.

Q.66 Councillor James Geoghegan

To ask the Area Manager if he could address the issues raised in the email below. "To be honest I despair at the ostensible lack of action (or pride in their work) by Dublin City Council in maintaining the trees and general planting and the control of weeds in the Rathmines/ Ranelagh area. The COVID situation should no longer hamper outdoor work. This is in complete contrast to for example the proactive initiatives by the council in Blackrock and Dun Laoghaire areas. In these areas there are more seating options and attractive planting. There is practically zero maintenance and many overgrown trees and weeds in the Rathmines/Ranelagh area.

I am struggling to understand why this situation is allowed to prevail and my fear is that the plants and weeds will get so out of control that they will be simply removed one day.

Please explain what is happening and clarify what the council is doing in this area. Please do not quote Covid as a justification in your response - this is outdoor work and other councils have risen admirably to the challenge.”

Q.67 Councillor James Geoghegan

To ask the Area Manager if he could address the issues raised in the email below.

Subject: Re: Mount Pleasant Avenue Upper

Dear James, we have just learned that Rathmines is going to become a dedicated bus corridor with no access for residential cars. We would ask you to support the reopening of access via Mountpleasant Avenue Upper for residents of Mountpleasant Avenue Lower, Richmond Hill, Bessborough Parade, Mountpleasant Terrace and Bannaville. Moving the no entry point from the junction of Richmond Hill to the end of the Avenue at the canal would be a simple fix for everyone for the future. It would leave the whole avenue connected for residents and commuter cyclists while cutting off all commuter car traffic in both directions. Many thanks for your consideration of this idea.

Q.68 Councillor James Geoghegan

To ask the Area Manager, further to my question to the Chief Executive in April if he can provide a copy (by email) of each of the filed court documents in proceedings bearing court reference number 2020/111 JR and 2020/112 JR respectively which have been opened in court and which have concluded in the delivery of a judgment; if he could also provide a copy of the Notice of Appeal filed to the Court of Appeal in respect of the appeal of these proceedings.

Q.69 Councillor Carolyn Moore

To ask the area manager for a timeline for repair, works and maintenance on the pond in Palmerston Park. How regularly is the pond cleared of refuse, mud and other debris; how regularly are water levels maintained or reinstated; and what is the timeline for repairing the fountain?

Q.70 Councillor Carolyn Moore

To ask the area manager if waste bins can be installed at key points along Leinster Road. As a main thoroughfare to and from Rathmines the street is currently subjected to heavy littering.

Q.71 Councillor Carolyn Moore

To ask the area manager if a waste bin, dog poo bin, or awareness signage directing dog walkers to nearby bins can be placed at St Clare's Avenue? The street has become a dumping spot for bagged dog poo in recent months (see attached).

Q.72 Councillor Carolyn Moore

To ask the area manager if the open green space beside the health centre on Crumlin Road (opposite Crumlin Shopping Centre) could be leased to a community group in order to create a community garden or allotments. The space lacks direct access and has been unused for many years.

Q.73 Councillor Carolyn Moore

To ask the area manager if a meeting with residents of Raphoe Road could be arranged with a view to making improvements to the street, including the addition of greenery and planting and traffic calming measures

Q.74 Councillor Carolyn Moore

To ask the area manager to outline specifically what plans are in place in the South East Area to deal with the spectrum of illegal and/or antisocial behaviours associated with Halloween but which local residents find they are now dealing with from July to October. These behaviours include but are not limited to fireworks, bonfires, hoarding of rubbish for bonfires, and are already having an enormous impact on the mental health and wellbeing of local residents, particularly elderly residents and those with small children and pets.

Q.75 Councillor Carolyn Moore

To ask the area manager what can be done to deal with the marked increase in anti-social behaviour in Mount Argus Park in recent months, including drinking, drug taking, public defecation, and hostile and aggressive behaviour towards families and other park users.

Q.76 Councillor Hazel Chu

To ask the manager for the continuation of pedestrianisation on the side of Sandymount Green that has been pedestrianised?"

Q.77 Councillor Hazel Chu

To ask the manager of plans for traffic calming for Dunville Avenue and surrounding areas, for a mobility access space to be placed in front of the pharmacy that service many users requiring disability access and to look at repairing of footpaths, and place in safety measures for Church Road and Castlewood in light of the increase drop offs for local facilities.

Q.78 Councillor Hazel Chu

To ask the manager of resurfacing of footpaths and cycle ways in various SEAC areas including Orwell Road (around Marianella), Winton Road, Merrion Road and Nutley Road.

Q.79 Councillor Hazel Chu

To ask the manager the status of plans of 24 cycle lane for Ranelagh and Rathmines.

Q.80 Councillor Pat Dunne

Regarding Double Yellow Lines - Could a review of roads be undertaken in Crumlin with a view to adding yellow lines? Parking is occurring on many street corners and making it dangerous for pedestrians, cyclists and drivers. The yellow lines will serve as a reminder to drivers that they cannot park there. A list of corners can be supplied if it would expedite this process.

Q.81 Councillor Pat Dunne

After the recent successful mattress recycling event in Rosary College, could we look at a trial run before Halloween the placement of skips to reduce household dumping? This scheme has been successful for a number of years in the South Central Area.

Q.82 Councillor Pat Dunne

Regarding the 83 bus terminus at Stannaway Avenue - Could DCC contact Dublin Bus to ask for the terminus bus shelter to be reinstated? There are many senior citizens complexes close by, and with the winter coming on, it would be important that people would be able to shelter from the rain.
