Q.19 Question in the name of Councillor Racheal Batten

“To ask the Area Manager to engage with the parks and roads department to ensure that the path at the top of Clonshaugh Road is safe for people to walk on as access to the hotel across the road is covered by over grown planting that is impeding access to the path.

Q.20 Question in the name of Councillor Racheal Batten

“To ask the Area Manager investigate why the new Coolock Lane road was re-surfaced in July and dug up two weeks later and what cost was involved in the double jobbing”

Q.21 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager the maintenance schedule for the green on **(details supplied)**, and if this is to be reviewed in the near future”

Q.22 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager to provide the traffic report that was due in relation to **(details supplied)**”

Q.23 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager to paint the fence at **(details supplied)**, as the fence has become chipped and marked, which clashes with the recent improvements made to the park”

Q.24 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager the feasibility of painting the wall at **(details supplied)**, with anti-climb paint, as there has been an increase in anti-social behaviour which has involved climbing on this wall to gain access to the estate”

Q.25 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager to provide an update on the ongoing efforts to improve the accessibility in the playground in Fr Collins’ Park”

Q.26 Question in the name of Councillor John Lyons

“To ask the Area Manager for a report on the present and future provision of senior citizen housing in the north central area, the report to include information on what sites have been identified to deliver said housing”

Q.27 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager to work with the Environmental Liaison Officer to come up with an action plan to address the litter problem in All Saints Park and surrounding areas. Residents cannot go two meters without seeing bottles, cans, crisp packets amongst other things strewn across the green areas and footpaths. This is particularly evident in the All Saints Park & surrounding streets. This includes in front of the local shops (Mace/Driving Test Centre etc) and the green areas.

Residents regularly pick up rubbish around the area but it just seems to keep on coming and even when the council cut the grass they seem to just mow over the rubbish leaving a lot of it behind.

Some suggestions on the litter front would be more regular collections of loose rubbish, more bins, an education programme on personal responsibility including possible signage to discourage litter and perhaps more action under the Litter Pollution Act 1997.

In particular, could DCC confirm that the online reporting services for litter issues is working? Residents report that this was not working in late August and so pallets in the area remained in place and were subsequently lit on fire in All Saints Park (25th August)”

Q.28 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager to work with the Environmental Liaison Officer to come up with an action plan to address or to consider the impact of Go Cars parking on Hollybrook Road on local residents and make a statement on the matter – it is reducing the parking capacity of this road (which is home to a lot of elderly residents) significantly and seems to make no sense when these cars could be parking in the seafront car parks nearby instead”

Q.29 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager to respond to the following issue and to make a statement on the matter and address how the public realm will be protected in light of these construction works:

Regarding: the damage that's being created as a result of the construction of the new apartments on Griffith Avenue between Scoil Mhuire and the Charlemont Estate. It appears that the contractors dug across Griffith Avenue and down Turlough Parade and around a portion of the green at Croydon Gardens to access a water supply for the apartments.

Houses in the area reported their water turning brown and there are concerns on what this new demand will do for water pressure.

There is also an issue arising from the way in which they filled the large channels of the footpath on Croydon Gardens. We now have a channel of the original concrete pavement and channel of equal width of new tarmacadam.

I don't know exactly how long ago it was that the pathway was first laid and I'm sure there is no preservation order on it (mores the pity) but this seems an ugly, slipshod, quick and nasty way of repairing the damage they caused. As much of an eyesore as it is, its also a danger to elderly pedestrians as it is at a different level to the remaining path.

Can the Area Manager please organise some intervention to repair the damage, blend the pathway back to its former glory and ensure that the contractors do not take any more shortcuts”

Q.30 Question in the name of Councillor Jane Horgan Jones

“To ask the Area Manager to make a statement on the matter of Irish Water who have renewed water pipes in Celtic Park Avenue over the period of the last 3 to 4 months. This has necessitated cutting both sides of the road and the footpath outside each house to gain access to the water meter / stop cock. A temporary dressing has been put in place where the cuts were made. Could the manager give some information about the plans to reinstate the roads and the footpaths”

Q.31 Question in the name of Councillor John Lyons

“To ask the Area Manager for an update on the proposed playground for Mc Auley Park, all information regarding public consultation, provisional timelines and proposed funding avenues to be included”

Q.37 Question in the name of Councillor Deirdre Heney

"To ask the Area Manager to please refer to **(details supplied)** and be of assistance"

Q.38 Question in the name of Councillor Deirdre Heney

"To ask the Area Manager in relation to the plans to implement a cycle lane on Hollybrook Road say

- (i) what consultation has or will take place with residents on the road, as residents are upset at reports from Dublin City Council that residents have been consulted on the matter yet residents inform me that no such consultation has taken place to date
- (ii) why a new cycle route that travels from Griffith Avenue through Copeland Avenue and then uphill to Hollybrook Park and on to Hollybrook Road, bypassing Howth Road is being proposed
- (iii) as residents have only just managed to get permit parking on the road with no other parking options what will happen to the parking permit scheme
- (iv) as the proposed cycle path would also need to go through Hollybrook Park which is only just passable for one car, if he can provide detail on this part of the proposal
- (v) can he ensure that all such proposals are fully communicated to residents affected"

Q.39 Question in the name of Councillor Deirdre Heney

Q.41 Question in the name of Councillor Deirdre Heney

"To ask the Area Manager to cut the low hanging branches of trees at locations as per **(details supplied)** as the branches are so low hanging, they are a hazard for vulnerable pedestrians in particular"

Q.42 Question in the name of Councillor Deirdre Heney

“To ask the Area Manager in relation to my requests for traffic calming and other measures to address the hazards and dangers posed for pedestrians and vulnerable road users at Abbeyfield, Middle Third, Killester Avenue and surrounds, can the manager please provide me with an update on what measures are being proposed and a timeline for same and in relation to the introduction of a Neighbourhood Transport Scheme, as referred in response to my Motion at the July Area Committee meeting, can the Manager advise when Phase 2 of the project is due to be announced and where Killester is ranked in the phase”

Q.43 Question in the name of Councillor Deirdre Heney

“To ask the Area Manager to refer to 4 trees at location as per **(details supplied)** and arrange to prune same as they are severely overhanging the roof and into the garden. The residents were informed by City Council that the residents were within their right to cut back anything that's overhanging their boundary wall but as the trees are 30 foot high the residents are unable to do this work and the cost of getting same done privately is too high at €500. having experienced several storms in recent years that has brought local trees down in the area, the residents are very worried that as the trees overhanging their house will come down on top of them”

Q.44 Question in the name of Lord Mayor Alison Gilliland

“To ask the Area Manager to provide a report on the recent resurfacing of the Oscar Traynor Rd and the scheduling of Irish Water works to replace the sewer on this road.
