

6th October 2021

To the Lord Mayor, Chairperson and Members of
The North Central Area Committee

Meeting: 18/10/2021

Update on the Discovery Centre

The Design & Planning Team for the Discovery Centre are continuing with the development of the Environmental Impact Assessment (EIA) for the project, which will incorporate feedback from the most recent consultation carried out. It is envisaged that this will be ready for presentation to the NCAC at the end of this year or early in 2022. The EIA will be presented to the NCAC within this timeframe.
