

3rd November, 2021.

To: The Lord Mayor, Chairperson and Members of
North Central Area Committee

Meeting: 15th November 2021

Working group for a new art venue in the North Central Area

The City Arts Officer will bring forward his nominations to the December Meeting.

As this Committee will meet over the course of some years, it is important that it is formed carefully with the skillset required in local, national and international best practice. It will have to deal with the demand for a venue, choice of art forms, possible locations, feasibility and finance.

The Area Office Community team will work in conjunction with the Arts Officer, to ensure the success & longevity of the new working group. Accordingly, they have received a number of nominations from candidates representing both sides of the area, who would be pleased to participate in a working group to establish a new art venue in the North Central Area.

Membership of the working group is therefore proposed to be finalised at the January Meeting of the Area Committee.
