

Stoneybatter Greening Strategy

DECEMBER 2021 UPDATE

Thank you to all the residents' groups that have worked with us to help get these projects built.

WHATS DONE

- × Murals - Ben Edair Road, Malachi Road, Aughrim Street Scouts Hall & Viking Place
- × Planting projects at Drumalee Green, Lucky Lane, Arbour Hill, Halliday Square park, Altona Lane, Montpelier Drive entrance & Stoneybatter Green
- × 600m² of Native Irish Meadow plating & 1 large specimen tree planted at Drumalee Green

PLANNED

- × Spring 2022 - Tree planting on Harold Road, Ostman & Viking Place, Thor Place park improvements & Montpelier Garden play pocket park.

At design stage

- × Rain Garden on Arbour Hill, North-South

Feasibility - Consultation in Spring 2022

- × Permanent Tree planting on Cowper Street, Niall Street, Sigurd Road, Fitzwilliam Place North, Swords Street, Montpelier Hill & Moira Road (with option for a pocket park between Ben Edair & Niall Street)

Our process involves detailed consultation with local residents groups & residents. Over the coming years, we will continue working with the local community to implement the projects identified in the Stoneybatter Greening Strategy.
