Re: National Development Plan 2021-2030

Dear Minister McGrath

I hope that you and your team are keeping well. I write to you regarding the recent publication of the National Development Plan (NDP) 2021-2030, a key element of the broader initiative Project Ireland 2040. The NDP offers a significant opportunity to the country involving considerable investment of €165bn. Dublin City Council is hopeful and excited for the potential economic, social and community development the plan may provide for our Capital City.

In that context, the issue of understanding the full quantum of NDP funding which may impact on Dublin was discussed at a recent meeting of Dublin City Council's Finance Strategic Policy Committee (SPC). The SPC seeks and would very much welcome a report and / or presentation on NDP funding that will benefit Dublin.

The next meeting of the Finance SPC is scheduled for Thursday 20th January 2022 at 230pm, to be held remotely via MS Teams. I would greatly appreciate if a report covering NDP funding for Dublin can be provided for the meeting and if possible that a presentation could be made to maximise the understanding of the SPC members.

I look forward to your response.

Yours sincerely

Cllr Séamas McGrattan
Chairperson
Finance Strategic Policy Committee
