1	7009006		Traffic Calming	GREENVILLE AVENUE (SC)	Dublin 8	Traffic calming measures to prevent vehicles speeding from Donore Avenue.	Not Recommended	SR not recommended. Following the assessment carried out by the Traffic Advisory Group Area Engineer they did not observe any speeding in the area at that time of the assessment so they carried out a speed survey on Greenville Avenue on Tuesday 14/12/2021 . The results of the speed survey came back with an 85th percentile reading of 30.5Km/hr in a 30Km/hr speed zone and a combined average speed of 24.2Km/hr. . With this information it would not be recommended to have any traffic calming measures installed at present.	Member of the Public	13/05/2019	0
2	7019775		Traffic Calming	JAMESTOWN AVENUE (SC)	Dublin 8	install speed ramps or an effective alternative to slow down traffic on the road	Not Recommended	SR not recommended. Following the assessment carried out by the Traffic Advisory Group Area Engineer they did not observe any speeding in the area at that time of the assessment so they carried out a speed survey on Jamestown Avenue on Tuesday 14/12/2021 . The results of the speed survey came back with an 85th percentile reading of 28.7Km/hr in a 30Km/hr speed zone and a combined average speed of 22.7Km/hr. With this information it would not be recommended to have any traffic calming measures installed at present	TD	01/04/2021	1
3	7021993		Disab Park Bay Residential	EMMET ROAD (SC)	Dublin 8	Disabled parking bay for 32 Emmet Road.	Recommended	SR recommended - Following the assessment carried out by the Traffic Advisory Group Area Engineer it was observed that there was a high demand for parking in the area. For this reason the Area Engineer would recommend a disabled parking bay in the vicinity of number 32 Emmet Road.. Stat – Starting from a point approx. 31m west of LS3 on Emmet Road (at the start of the bus cage),install a disabled bay parallel to the kerb on the southern side of the carriageway extending in a easterly direction.
