

Questions to the Area Manager
Central Area Committee Meeting
8th March 2022

Q1 Councillor Christy Burke

To ask the Area Manager for an update on (details supplied)

Q2 Councillor Christy Burke

To ask the Area Manager when the pedestrian crossing at (details supplied) will be installed.

Q3 Councillor Christy Burke

To ask the Area Manager when the public lighting will be improved at (details supplied)

Q4 Councillor Christy Burke

To ask the Area Manager when works will be carried out and completed on the blocked drainage at (details supplied)

Q5 Councillor Christy Burke

To ask the Area Manager when the windows will be replaced and new kitchen installed at (details supplied)

Q6 Councillor Christy Burke

To ask the Area Manager can the paint on the footpath at (details supplied) be removed.

Q7 Councillor Christy Burke

To ask the Area Manager as to when the Safe School Code will be installed at (details supplied)

Q8 Councillor Christy Burke

To ask the Area Manager if a planning application for (details supplied) is being processed

Q9 Councillor Christy Burke

To ask the Area Manager to put in place a section to address the time slots for sports training at the (details supplied) as there is no section in Dublin City Council to address the managing at these venues.

Q10 Councillor Declan Meenagh

To ask the Area Manager if the footpath around the (details supplied) could be repaired as some of it is in bad repair.

Q11 Councillor Declan Meenagh

To ask the Area Manager for a breakdown of road works planned for (details supplied)

Q12 Councillor Declan Meenagh

To ask the Area Manager how many fines for dog fouling have been issued in the past year.

Q13 Councillor Declan Meenagh

To ask the Area Manager for an update on extending (details supplied) into the old Irish Rail Lands. The LEIP has previously asked for updated advice from the Parks Department

Q14 Councillor Declan Meenagh

To ask the Area Manager for an update on (details supplied).

Q15 Councillor Declan Meenagh

To ask the Area Manager to fix the massive hole in the road at (details supplied)

Q16 Councillor Declan Meenagh

To ask the Area Manager if we can have more lighting on (details supplied)

Q17 Councillor Declan Meenagh

To ask the Area Manager for a report on options to tackle illegal parking at (details supplied)

Q18 Councillor Declan Meenagh

To ask the Area Manager can additional bins be provided at (details supplied)

Q19 Councillor Seamas McGrattan

To ask the Area Manager to repair the damaged road surface especially around the drains on (details supplied)

Q20 Councillor Nial Ring

To ask the Area Manager if the owners of (details supplied)

Q21 Councillor Nial Ring

To ask the Area Manager when the consultation hub for the (details supplied) closed and to detail the evaluation of the process.

Q22 Councillor Nial Ring

To ask the Area Manager for an update on the progress of the proposed rebuild/retrofit project at (details supplied)

Q23 Councillor Nial Ring

To ask the Area Manager for an update on the progress of the proposed rebuild/retrofit project at (details supplied).

Q24 Councillor Nial Ring

To ask the Area Manager for an update on the proposed public realm improvement works at (details supplied)

Q25 Councillor Nial Ring

To ask the Area Manager to give updated details/progress on the seven "significant interventions" detailed in (details supplied)

Q26 Councillor Nial Ring

To ask the Area Manager to detail the number of inspections carried out under the Enforcement of Minimum Standards in Rented Accommodation Standards in rented Accommodation in the Central Area in 2020 and 2021. The comprehensive details supplied in a similar question to the Chief Executive (No 113 - City Council meeting June 2021 applicable to the Central Area is requested.

Q27 Councillor Nial Ring

To ask the Area Manager for an update to my question (No 12 - November 2021) in relation to the (details supplied) to include a breakdown of the expenditure to date and the planned expenditure which is expected to total €400,000 by end of March 2022.

Q28 Councillor Nial Ring

To ask the Area Manager to detail the procedure/process whereby Dublin City Council can use Section 96(3) of the Planning and Development Act 2000 (as amended) to acquire units off-site rather than within a development with Part V units due to DCC. In particular, can the manager confirm how the amount to be spent per unit is determined given that the Part V unit will generally not represent good value for money. In addition can the manager confirm if the Act extends beyond SDZ developments to general developments.

Q29 Councillor Seamas McGrattan

To ask the Area Manager to install double yellow lines outside (details supplied) to prevent cars parking on the corner.

Q30 Councillor Seamas McGrattan

To ask the Area Manager to consider a complete road resurfacing in (details supplied) as this surface hasn't been replaced since the estate was first built.

Q31 Councillor Seamas McGrattan

To ask the Area Manager to support the residents in (details supplied) to install a drive-in

Q32 Councillor Seamas McGrattan

To ask the Area Manager to install additional bollards in (details supplied) to prevent commuters parking here

Q33 Councillor Seamas McGrattan

To ask the Area Manager to remove dumped rubbish from the lane in (details supplied) and consider cctv cameras here to prevent future dumping.

Q34 Councillor Seamas McGrattan

To ask the Area Manager to remove dumped debris from the laneway behind (details supplied). The dumped material has left the gardens vulnerable to burglary.

Q35 Councillor Seamas McGrattan

To ask the Area Manager to prune the tree outside (details supplied) as it is growing into the netting surrounding the all weather pitch

Q36 Councillor Seamas McGrattan

To ask the Area Manager to repaint the lampposts on (details supplied)

Q37 Councillor Seamas McGrattan

To ask the Area Manager what roll do Dublin City Council have in repairing damage to (details supplied) which have been damaged as a result of construction work.

Q38 Councillor Darcy Lonergan

To ask the Area Manager if the traffic unit can re-position 6 bollards on the grass verge in (details supplied) to the edge of the footpath and spaced out and if 8/10 more could be provided to cover the curve of the path? The letter of the history of the bollards, along with pictures of the new positions are attached

Q39 Councillor Joe Costello

To ask the Area Manager if she will address the issues raised in (details supplied)

Q40 Councillor Joe Costello

To ask the Area Manager if she will address the issues in the enclosed email (details supplied)

Q41 Councillor Joe Costello

To ask the Area Manager if she will address the issues raised in (details supplied)

Q42 Councillor Joe Costello

To ask the Area Manager if the area at (details supplied) can be cleaned and planted.

Q43 Councillor Joe Costello

To ask the Area Manager if the problem that has caused loss of water for the residents of (details supplied) on at least four occasions in the last month can be resolved.

Q44 Councillor Joe Costello

To ask the Area Manager to clarify why repairs have not been carried out after 2½ years to (details supplied) and if she will see that the work is done urgently.

Q45 Councillor Joe Costello

To ask the Area Manager if she will examine the vacant building at (details supplied) with a view to finding a solution to the present problem of waste management on the road

Q46 Councillor Joe Costello

To ask the Area Manager to survey the laneway between (details supplied) with a view to greening the open space which is always littered.

Q47 Councillor Joe Costello

To ask the Area Manager if the footpath on (details supplied) can be resurfaced.

Q48 Councillor Cieran Perry

To ask the Area Manager to provide an update on the (details supplied). Is the scheme still active and is there any budget allocated?

Q49 Councillor Cieran Perry

To ask the Area Manager to answer the following questions in relation to street lights?

1. What roads in Cabra have had the newer LED system installed?
2. What roads remain on the older system?
3. Have any roads reverted to the older system due to complaints of a darker environment?

Q50 Councillor Cieran Perry

To ask the Area Manager to request an inspection of the street lighting on (details supplied)

Q51 Councillor Cieran Perry

To ask the Area Manager to provide an update on the sub-group formed to oversee progress on the (details supplied)

Q52 Councillor Cieran Perry

To ask the Area Manager to explain the delay in resolving the sewerage blockage at (details supplied)? The initial report was logged with Irish Water on Wednesday 16th February and subsequently with the Broombridge depot, the Bannow depot, the Portland Row depot and the Cabra Area Office. The blockage remains as I submit this question on 24th February.

Q53 Councillor Cieran Perry

To ask the Area Manager to confirm the correct process for reporting a blocked drain in a tenant's house?

Q54 Councillor Cieran Perry

To ask the Area Manager to confirm if the choke car is unavailable at weekends?

Q55 Councillor Cieran Perry

To ask the Area Manager to request an update from the Department of Health on the (details supplied)

Q56 Councillor Eimer McCormack

To ask the Area Manager to report on plans to repair the footpath outside (details supplied). The path is a clear trip hazard and needs attention urgently

Q57 Councillor Eimer McCormack

To ask the Area Manager to report on a date and time for the next meeting of the Drumcondra and Glasnevin Community Safety Forum

Q58 Councillor Eimer McCormack

To ask the Area Manager to advise when DCC Traffic or Roads section install the pencil bollards, road markings and advanced warning signs for (details supplied)

Q59 Councillor Eimer McCormack

To ask the Area Manager to offer an update on when (details supplied) will next be (1) swept, (2) trees pruned and (3) lighting will be attended to. The road is in a particularly shabby state at present

Q60 Councillor Eimer McCormack

To ask the Area Manager to report on any plans to increase the public lighting on the pathways through (details supplied). It is a matter of personal security and train users need to feel safe at night passing through the park on their way home.

Q61 Councillor Colm O'Rourke

To ask the Area Manager for an update and timeline regarding my question to the July 2021 Central Area Committee Meeting in which it was recommended to install a Children Crossing sign at (details supplied)

Q62 Councillor Colm O'Rourke

To ask the Area Manager that Dublin City Council review the works completed to date and coordinate better with the various utility companies to ensure the roads and footpaths are not continually being dug at (details supplied) to avoid constant road/footpath works. Over the last 19 months, the roads/footpaths at this location have replaced several times in that period and is disruptive to residents

Q63 Councillor Colm O'Rourke

To ask the Area Manager to introduce a number of measures at (details supplied) and to request that the litter/dog warden visit the location to try and tackle the issue.

Q64 Councillor Colm O'Rourke

To ask the Area Manager to ensure that (detail supplied) is regularly swept by Dublin City Council and that measures are put in place to prevent illegal dumping that is happening at this location.

Q65 Councillor Colm O'Rourke

To request that the Dublin City Council Transport Advisory Group arrange surveys at (details supplied) in order to determine traffic volumes and speeds with a view to implementing traffic calming measures to be implemented here as requested by residents.

Q66 Councillor Colm O'Rourke

To ask the manager why the speed ramps at (details supplied) are smaller in size at this location and if there is a plan to review these ramps as cars can get through without going over the ramps.

Q67 Councillor Colm O'Rourke

To ask the Area Manager for an update regarding my traffic request (details supplied) for the cycle track to be clearly marked due to the markings disappearing due to frost, that other measures be introduced to clearly show the cycle lane on the footpath and that this be reviewed

Q68 Councillor Colm O'Rourke

To ask the Area Manager for an update to my question to introduce, as requested by residents, chicanes and a suite of traffic measures at (details supplied) to tackle the speeding of vehicles on this road.

Q69 Councillor Colm O'Rourke

To ask the Area Manager to provide general litter bins along (details supplied) due to the lack of bins here and due to the amount of litter being dropped here.

Q70 Councillor Ray McAdam

To ask the Area Manager to detail the specific proposals behind (details supplied); how residents there can be consulted; and if she will make the statement on the matter?

Q71 Councillor Ray McAdam

To ask the Area Manager to provide an update on the renovation and refurbishment works of (details supplied); the likely timeframe for the allocation of same; and if she will make a statement on the matter?

Q72 Councillor Ray McAdam

To ask the Area Manager whether she has received any feedback from the Transportation Department regarding (details supplied); the status of the suggestions made; what the timeframe is for the response of same; and if she will make a statement on the matter?

Q73 Councillor Ray McAdam

To ask the Area Manager to undertake a road safety audit of (details supplied), given the narrowness of the street, the layout of parking; and if she will make a statement on the matter?

Q74 Councillor Ray McAdam

To ask the Area Manager what funding has been provided for the completion of (details supplied); whether an application has been made to the NTA; and if she will make a statement on the matter?

Q75 Councillor Ray McAdam

To ask the Area Manager to provide an update on the indicative timeframe for the undertaking of a Feasibility Study into the redevelopment of (details supplied); and if she will make a statement on the matter?

Q76 Councillor Ray McAdam

To ask the Area Manager to provide a comprehensive report into the refurbishment works occurring in (details supplied); the current status of the regeneration project, including what works have the Design Team also undertaken to date; the likely timeframe for the submission of a formal Part 8 planning application; and if she will make a statement on the matter?

Q77 Councillor Ray McAdam

To ask the Area Manager to arrange for the apparent sinkhole on the carriageway along (details supplied) to be repaired and that permanent works be undertaken as opposed to the temporary measures that have been completed in recent months; and if she will make a statement on the matter?

Q78 Councillor Cat O'Driscoll

To ask the Area Manager if a licence is required for bike shops to display/store their products on the footpath outside shops and to address the bikes blocking a large portion of the footpath on (details supplied)

Q79 Councillor Cat O'Driscoll

To ask the Area Manager what are the plans to address the anti social behaviour in the laneway adjoining (details supplied)

Q80 Councillor Cat O'Driscoll

To ask the Area Manager to address the traffic issues at the corner of (details supplied). Visibility is poor and made worse by cars and vans parking on the footpath. Residents would like yellow lines to prevent parking and signage to reduce drivers taking the corner without stopping.

Q81 Councillor Janet Horner

To ask the Area Manager to install speed bumps along (details supplied)

Q82 Councillor Janet Horner

To ask the Area Manager to fix the street lights, including the decorative ones on the (details supplied)

Q83 Councillor Janet Horner

To ask the Area Manager to remove the road sign and pole for (details supplied) and to replace with a readable one fixed to the wall?

Q84 Councillor Janet Horner

To ask the Area Manager to resurface (details supplied)

Q85 Councillor Janet Horner

To ask the Area Manager to improve street lighting around (details supplied), particularly where people wait at the bus stops?

Q86 Councillor Janet Horner

To ask the Area Manager what is the current planning status of the (details supplied)

Q87 Councillor Janet Horner

To ask the Area Manager for an update of the progress on the (details supplied)
