

**The Chairman and Members of
North West Area Committee.**

Meeting: 19th April 2022

Item No: 6

**Proposed Extinguishment of the Public Right of Way over the Laneway between 19-27
McKee Avenue, Finglas, Dublin 11**

Proposal

A request to have the public right of way extinguished over the above location was received by the Finglas Area Office in February 2022. The reason for the proposed extinguishment is to allow for the disposal of a portion of the laneway to 25 McKee Avenue. The extent of this proposed extinguishment is shown on the attached Drawing SM-2022-0110.

Service Checks

A service check will be undertaken to establish the extent of the services located on this area. Suitable arrangements will be put in place prior to completion of this proposal.

Statutory Requirement

The statutory procedure involves giving public notice of the proposal in one or more newspapers circulating in the City and the affixing of that notice at each end of the right of way for a period of not less than 14 days. Any objections or representations made and not withdrawn shall be considered. The extinguishment of a public right of way is a function reserved to the elected members of the City Council.

Recommendation

I recommend that procedures be initiated under Section 73 of the Roads Act 1993 to extinguish the public right of way over the area indicated on attached Drawing SM-2022-0110.
