

**The Chairman and Members of  
North West Area Committee.**

**Meeting: 19<sup>th</sup> April 2022**

**Item No: 12**

**PUBLIC DOMAIN REPORT**

Waste Management and Illegal Dumping

There were 200 incidents of illegal dumping recorded on CRM for March as opposed to 460 in March 2021. This is a substantial reduction over the year. The team have been working alongside the Waste Management crews to ensure prompt removal of illegally dumped items and 95% of requests are serviced within 24 hours of reporting. There have also been 100 Community Clean Ups during March serviced by the Public Domain Crew.

There has been a notable increase in the levels of litter in some areas. The Team are currently arranging some local signage specific to each individual estate, to raise litter awareness.

Environmental Groups/Team Dublin Clean Up

Public Domain have been busy distributing equipment to all our environmental groups and community groups to facilitate area clean ups over the past month. April 30<sup>th</sup> has been announced for Team Dublin Clean Up 2022. We have contacted all our Environmental Groups with a view to encouraging them all to come out on the day to take part. We are anticipating strong support for the event this year with the easing of Covid restrictions.

Weeding

The first treatment is complete in North West for 2022 and the contractor will return for the second treatment in July. Some manual removal will also take place this year by the contractor. Dates for this have not been firmed up as yet but it is anticipated that this will take place later in the summer when weeds are more established.

#### City Neighbourhoods Competition

The City Neighbourhoods Competition will return to pre-pandemic arrangements. The entry forms will be distributed to all the groups as soon as they are available. There will be a local event for 2022 likely to be early September and the citywide event will again return to Croke Park in late September TBC.

#### Bin Survey Ballymun

On foot of a discussion at the March Area Committee, a map of bins in Ballymun was sent to all Councillors. The Public Domain Team surveyed the area to ensure that the bins on the map were correct. Result of survey below have been forward to Waste Management for noting/action:

- There is a new bin on Coultry Green on the corner of the green space that's not on the map.
- The bin on the grass of the Plaza beside the Civic Centre entrance was taken out and replaced with a big belly bin.
- The bin was removed from Longdale Way.
- All other bins on map are present.
- No bins at top of Belclare Park/View Balbutcher Lane - Bus stop was relocated and bins were not replaced
- 2 bins at Poppintree Parade – Big Belly Bin replaced bins
