Socio-Economic Impacts (SDGs 1, 2, 3, 4, 5, 8, 10)

How will the project/policy impact socio-economic factors?

	Positive Effect	Negative Effect	No Effect	Don't know	Description of impact
Crime (act and fear of)					
Education					
Employment					
Family Cohesion					
Housing					
Income					
Transport (access to PT, safety – walking & Cycling, etc)					
Social Cohesion					
Recreation and Culture					
Other					

CONSIDERATION(S):

- Health & Well-being - are we improving quality of life in the city?
- Equity - are the distributional impacts considered?
- Are the SDGs embedded?

DESCRIBE IMPACTS:

Many so

ENGAGEMENT

Climate Campaigners

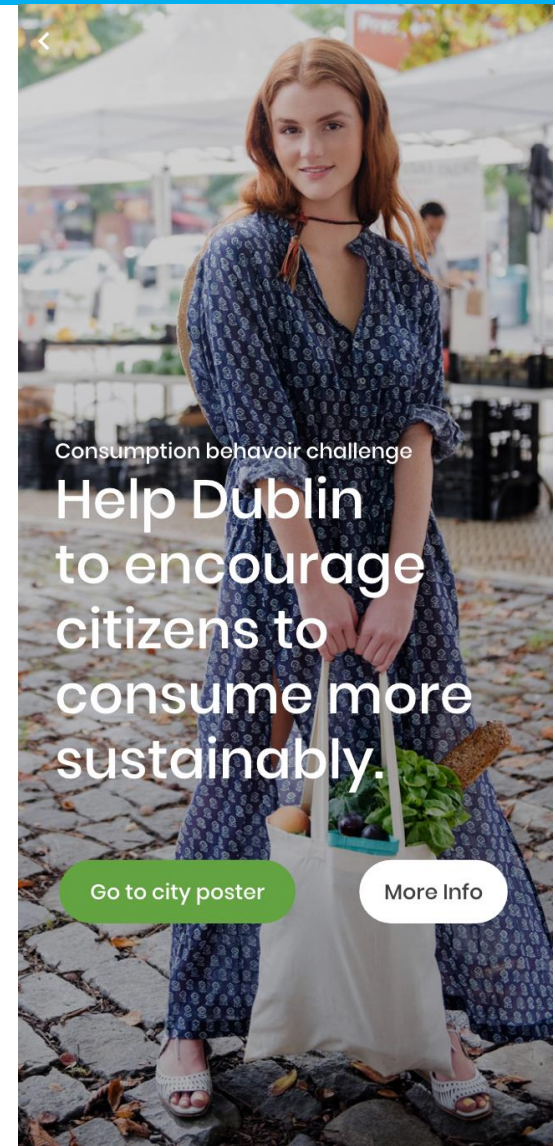

- Multipliers
- Launch September 15th

Eat the Streets

- Tentative dates late August

Dublin Climate Action Week

- September 13-19

CRUMLIN, TAKING ACTION TOGETHER

CCCA or Crumlin Taking Action Together is led by DCC Arts Office, Kimmage Rathmines Area Office, DCC Climate Co-ordinator and Project Managers, and evaluated by ESRI and Mar EI Institute UCC. The conclusion report aims to highlight what the people in the greater Crumlin area want as a vision for Crumlin in 10 years and what the current barriers are that must be overcome in order to deliver this bright future.

Creative
Climate Action

HAVE YOUR SAY

This information is being gathered through community activation workshops, and through individual surveys both print and online and the full form be seen here: www.crumlintakingactiontogether.ie/#HaveYourSay

CREATIVE CALL OUT

The funds being allocated by Creative Ireland will see a number of arts-led climate action projects selected in the greater Crumlin area from the creative call out by assessment panel, due to close 28 MAY.

Applications are open to local groups and individuals and full info can be found here : www.crumlintakingactiontogether.ie/#creative-call-out

TAKING ACTION TV

Dr Niamh Shaw is joined weekly by Crumlin Residents sharing what is going on in Crumlin and chatting about all things nature, bird watching, gardening, sustainable energy, crafts, local heritage, climate action, citizen science, future projects and lots more. Use the link below for details on our episodes and be sure to tune in! www.crumlintakingactiontogether.ie/watch

CREATIVE CLIMATE ACTION

Call out closes May 28th!
