

STONEYBATTER GREENING STRATEGY

SEPTEMBER 2022 UPDATE

Thank you to all the residents’ groups that have worked with us to help get these projects built.

WHATS DONE

- × Murals - Ben Edair Road, Malachi Road, Aughrim Street Scouts Hall and Viking Place
- × Planting projects at Drumalee Green, Lucky Lane, Arbour Hill, Halliday Square park, Altona Lane, Montpelier Drive entrance & Stoneybatter Green
- × 600m2 of Native Irish Meadow plating & 1 large specimen tree planted at Drumalee Green
- × Tree planting on Harold Road, Ostman & Viking Place
- × Montpelier Play Space

PLANNED

Ready for implementation

- × Sigurd Road, Niall Street & Murtagh Road - Construction in November & December 2022
- × Moira Road - 6 month test closure between Ben Edair Road & Niall Street

At tender stage

- × Arbour Hill, North-South Rain garden

Detail Design

- × Drumalee Tree planting (Implement in December 2022)
- × Cowper Street School Zone (NTA funded, aim for implementation in 2023)
- × Fitzwilliam Place, Swords Street, Montpelier Hill and Moira Road (with option for a pocket park between Ben Edair & Niall Street)

Feasibility

- × Park improvements at Aughrim Street MUGA - Early feasibility

Our process involves detailed consultation with local residents groups & residents.

We will continue working with the local community to implement the projects identified in the Stoneybatter Greening Strategy.
