- 9 Motion in the name of Cllr. Ciaran Perry.
Core Bus Corridor Scheme was submitted to An Bord Pleanála without an opportunity for a proper public consultation on changes introduced since the final preferred route documents was published in March 2022. Given the importance and impact of the BusConnects project, at a minimum, a report should be presented to the Traffic & Transport SPC prior to progress on any of the major phases of the project.

This SPC will write to the NTA highlighting these concerns.

Item deferred to next Traffic & Transport SPC.
