This local authority calls for a motion to support the right to Personal Assistance Service (PAS) for disabled people to have freedom, choice and control over all aspects of their lives to enable them to fully participate in an inclusive society as equals. Independent living means an individual can live with the freedom and control to have the same choices in life that everyone else has in terms of housing, transportation, education and employment. PAS is a tool for Independent Living that allows disabled people to live independently, providing individuals with the freedom and flexibility they need to live their lives as they choose. With PAS, disabled people are in control and direct the Personal Assistant (PA) to carry out tasks both inside and outside of the home, including personal care, domestic duties, assisting in day-to-day tasks such as shopping, support in the workplace or socialising. PAs should not be confused with 'Home Help' or Carers as they do not 'look after' or 'care for' a disabled person.

In Ireland there is no standardised procedure for administering personal PA hours. In 2017, 84% of those in receipt of PAS received less than three hours a day and 42% of these people were in receipt of between 1 and 5 hours a week, an average of 42 minutes a day, despite disability being a 24-hour issue. As far back as 1996, it was identified that an average need for 10 hours of PAS per person per week could only respond to essential personal care needs, not quality of life requirements and it would certainly not enable full active participation in the community.

30 years on and the Independent Living Movement in Ireland continues to strive for full independent living on behalf of disabled people; advocating for choice and control over their lives and full participation in society as equal citizens. A right to PAS for disabled people is fundamental to achieving that vision, however, currently there is no such right in Ireland. Considering the unanimous motion passed in Dáil Eireann on the 19<sup>th</sup> November 2019, this Local Authority recognises:

- In March 2018 Ireland formally ratified the UN Convention on the Rights of People with Disabilities (UNCRPD), which under Article 19 states that disabled people have the right to live in the community and have access to a range of in-home and other supports including PAS to support this.
- Its obligation to consult closely with disabled people and their representative organisations in policy development as enshrined in Article 4.3 of the UNCRPD which states that "in the development and implementation of legislation and policies...States Parties shall closely consult with and actively involve persons with disabilities, including children with disabilities, through their representative organizations", specifically in relation to services provided by this local authority which impact on disabled people's lives, such as planning, housing, transport, social inclusion and enterprise.
- The Motion passed in Dáil Eireann on the 19<sup>th</sup> November and as such reaffirms that PAS that supports disabled people to live independent lives should be legislated for as a right.

That Dublin City Council agree to immediately revoke, what appears to be a blanket policy of removing public litter bins from locations, where cases of anti-social behaviour/misuse of bins exist, as the removal of such bins does little or nothing to stop the illegal dumping of waste, yet denies law abiding citizens the opportunity of having a public litter bin to properly dispose of their waste, which thus leads to more litter in our public domain and continued dumping.

**3) Councillor Máire Devine**

**Submitted: 21<sup>st</sup> October 2020**

That this Council, in view of the historical commemorative importance of the part played in the 1913 Lockout by William P. This Council notes the centenary of the passing by the British Parliament at Westminster of the Government of Ireland Act in December 1920, the Act which provided for the Partition of Ireland. We recall the deep injustices, divisions and conflict caused by this Act. We reiterate our support for the Good Friday Agreement and the political process arising from it, including the revoking of the Government of Ireland Act. We reaffirm our support for the self-determination of the people of Ireland as expressed in Article 3.1 of Bunreacht na hÉireann and for the bringing about of a United Ireland "by peaceful means with the consent of a majority of the people, democratically expressed, in both jurisdictions". Accordingly we call on both the Irish and British governments to fully implement the Good Friday Agreement and all their obligations with regard to the rights of citizens; we call on the British government to agree to set a date for the Irish Unity referendum as provided in the Agreement; we call on the Irish government to work for this outcome. We stand ready as a Council to work with all statutory bodies and with civic society to plan and prepare for the referendum on Irish Unity and for a positive outcome to the referendum.

That this council instructs the Chief Executive and calls upon the Chief Executive of the NTA to carry out the democratic will of this Council as expressed by the amendment of the Housing Land Initiative Report of on the 9<sup>th</sup> January 2017. This report was the foundation document of the Procurement and Disposal Process of the Oscar Traynor Road site which was passed by a 100% vote by Councillors in favour of the amendment on the 9<sup>th</sup> January 2017, the wording of which was (**in bold**) below:

“Dublin City Council has recently met with residents of Lorcan Estate and public representatives from the North West and North Central Area. It is proposed to put in place a Local Consultative Forum to ensure that there is fair and ongoing engagement and consultation with Community Interests in the area. The exact consultation structure can be agreed between the Area Committees and the local Area Managers and their teams **but will include representatives of Lorcan Estate, Castletimon Estate, Woodlawn Estate, Aulden Grange Estate, Santry Court Estate and Gaelscoil Cholmcille.** <sup>1.</sup> **This forum will be consulted by those drawing up the statutory Master Plan.** <sup>2.</sup> **The Masterplan will then be presented to the City Council for approval.”**

As neither 1: <sup>1.</sup> **This forum will be consulted by those drawing up the statutory Master Plan**  
Nor 2: <sup>2.</sup> **The Masterplan will then be presented to the City Council for approval.”**

That Dublin City Council supports the call for the release of Julian Assange and for all charges against him to be dropped and that we fully support the National Union of Journalists campaign to oppose Mr Assange's extradition, which states:

'We condemn the detention of Julian Assange pending his extradition proceedings. We further condemn the attempted use of the US Espionage Act to prosecute Assange for his work exposing the war crimes committed by US service personnel in the Iraq and Afghan war logs. It is our view that the use of these judicial measures by the US constitutes a grave threat to free speech and a free press. It further notes that this attempted prosecution is without precedent in US law.'

To ask the Chief Executive to write to the Department of Social Protection to ask not to cut funding for 2022 for Ballyfermot-Chapelizod Partnership. 498 babies were born in this area in 2019, and it is expected to grow year on year with housing provision in the area Cherryorchard. This area is hit by financial cut with the Dublin City Council URDF fund did not materialise for Cherryorchard which leaves plans for the community and social local development for this disadvantage area in jeopardy.

That this meeting of DCC call on the management of the Artane Band and the Artane School of Music and the GAA to change the uniform and change the name of the Artane Band.

The symbol of the Artane Band, its uniform, its name, its insignia and its history are deeply traumatising and hurtful to the many thousands of us who were incarcerated in industrial and reform schools run by the Christian Brothers and other religious organisations. Indeed, many children from the mother and baby homes were incarcerated in Artane. Many more were press-ganged into the band where children suffered horrendous abuse, sexual and otherwise, in the band room. Today, many of us still carry these scars and we find it wholly unacceptable in this day and age having gone through all of the various inquiries including the Ryan Report, and the many horrors of child sexual abuse that the Artane Band still marches under that banner and in the uniform of the residential industrial School, Artane, St Joseph's where it was formed over 150 years ago. It is no excuse in this day and age to say that the children in the present band are well looked after or that the children in the band at present are going to be in anyway hurt by a change of uniform and change of name. In a world of political correctness, in a world where symbols of this nature are being frowned upon, one only has to site the symbols of slavery and the decommissioning of public monuments etc. to realise that the time has come, and long overdue, that the oppressive symbols of the Artane Band, its uniform and its name, be consigned to history.

It is absolutely outrageous that the National sports field, that the likes of the GAA and indeed RTE would blatantly display these symbols and this band without having any regard whatsoever for the ongoing dreadful suffering many thousands of children had to endure in residential institutions.

Indeed, Justice Ryan in his report regarded the Artane band, "The band was the public face of Artane and was used as propaganda to reassure the public that those in residential institutions such as Artane and Letterfrack were receiving good care and education" But as we all know now, the reality was very different. Indeed many of those that were in this band have since committed suicide. And many more who are alive today can't even look at a GAA match or go to Croke Park where the band is playing. This is our present day suffering and it needs to stop.

It is time now for change. Stop this re-traumatising and let us begin a proper process of recovery and healing.

**19) Councillor Naoise O'Muirí**

- as an act of solidarity and support from the Council, will, on 21 May 2022 and each year thereafter, illuminate City Hall in red, symbolising the campaign for Irish language rights.

That this Council agrees to reduce commercial rates on premises which allow the public to use their toilet facilities.

**22) Councillor Alison Gilliland**

**Submitted: 20<sup>th</sup> June 2022**

Dublin City Council recognises that a clean, well maintained and litter free public realm across our city not only supports pride in and respect for our City but also supports outdoor enjoyment of our city. This is particularly relevant for the core city centre area where the City also welcomes a significant number of workers and visitors. However, Dublin City Council agrees that the current presentation and collection of commercial waste in the core city centre area is not supportive of a clean, well maintained and litter free public realm - too often bags of food rubbish ends up torn apart by seagulls and strewn across our footpaths while recycling materials in particular take up significant space on our footpaths and add to the sense of clutter.

Therefore

- a) to better manage the presentation and collection of commercial waste in the core city centre area, Dublin City Council agrees that a new system be put in place that drastically reduces the time commercial waste is allowed on our footpaths awaiting collection and that requires businesses to regularly sweep the public space directly in front of their premises so as to keep it free of litter and
- b) to enhance the cleanliness of the core city centre area, Dublin City Council agrees that a the power washing rota be greatly enhanced to allow for more frequent and responsive power washing with particular attention being paid to areas with high daily and high night economy footfall.
