# Structure and Governance

# Vision

## Dublin City – *Connecting all the People*

Dublin City Council is developing a safer, inclusive and sustainable  
**walk-wheel-cycle**  
network.

This will enhance quality of life by improving access, connectivity and sustainable mobility for all, whilst reducing transport-related carbon emissions.

A part of the National Transport Authority's cycleconnects network for Dublin

# Strategy

## Dublin City Core Active Travel Network

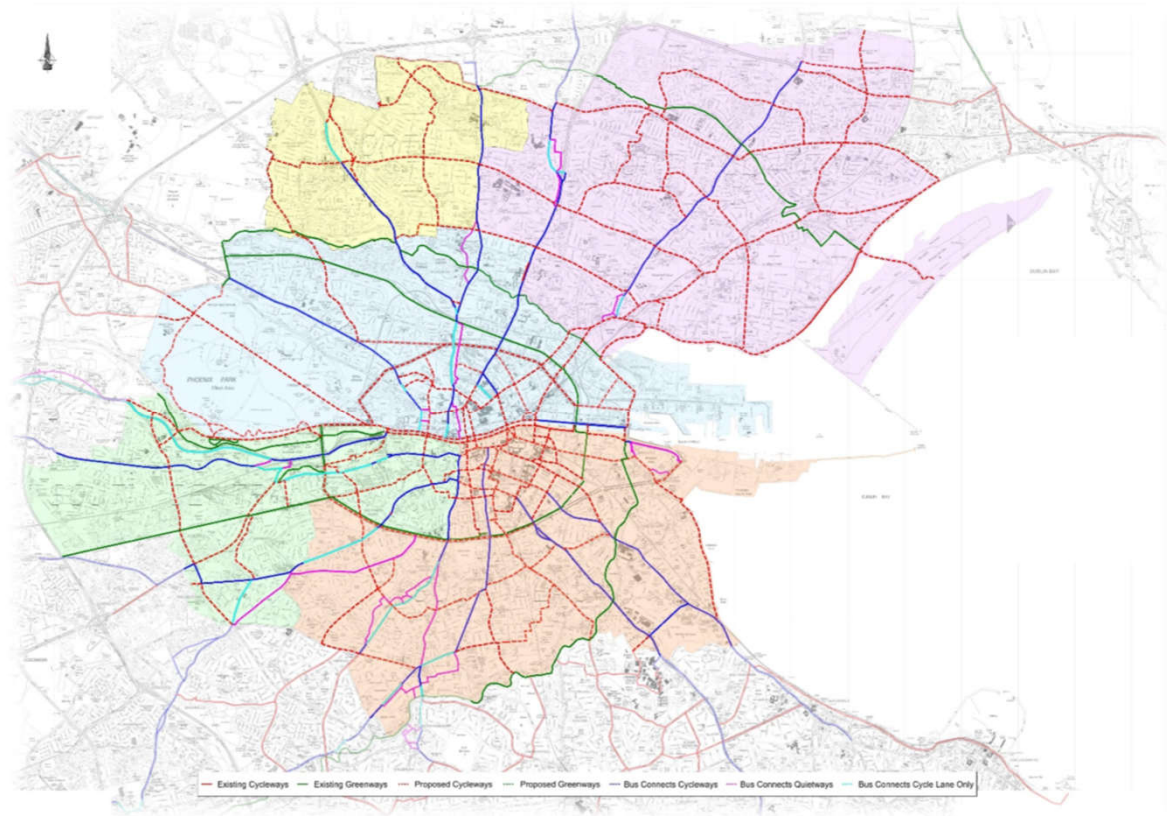

Total planned DCC network of 470km in the **Greater Dublin Area Cycle Network Plan**

Minimum required for a connected city is 310km

Of which:

- 10km (high quality) is complete
- 90km will be delivered by Busconnects
- 210km will be delivered by the Active Travel Programme Office

This 210km consists of 80 NTA-funded projects across the network
