Public Domain Report Office of City Recovery December 2022

Power Washing/Cleansing

Given the onset of the winter weather, the intense power washing schedule has been reduced for this period. Notwithstanding this there is still twice weekly Power Washing taking place on main thoroughfares or on demand from Public Domain Officers where necessary. The Office of City Recovery have also been working closely with Waste Management to ensure a full 24 hour, 7 day service for the month of December.

We are constantly monitoring the level of cleanliness of the City Streets and taking immediate action where issues are noted or raised. From January and will have more Public Domain staff on the ground actively auditing streets and reporting issues to relevant departments and ensuring timely response to same.

Sticker Removal Figures

As per the chart below, 1,512 poles in the core City Centre have had stickers removed from 1st September 2022 to 30th November 2022. This project has had a significant impact on the cleanliness and upkeep of the city. We will continue to drive this project forward and report on progress.

Area	Quantity
Aston Quay	57
O'Connell Street + Side Streets	360
Essex Quay	12
Wood Quay	11

Dame St/College Green	110
Temple Bar + Side Streets	103
Grafton Street	108
St Stephen's Green	48
Smithfield	209
Capel Street	90
Parnell Street	111
Total	1512

Big Belly Bins

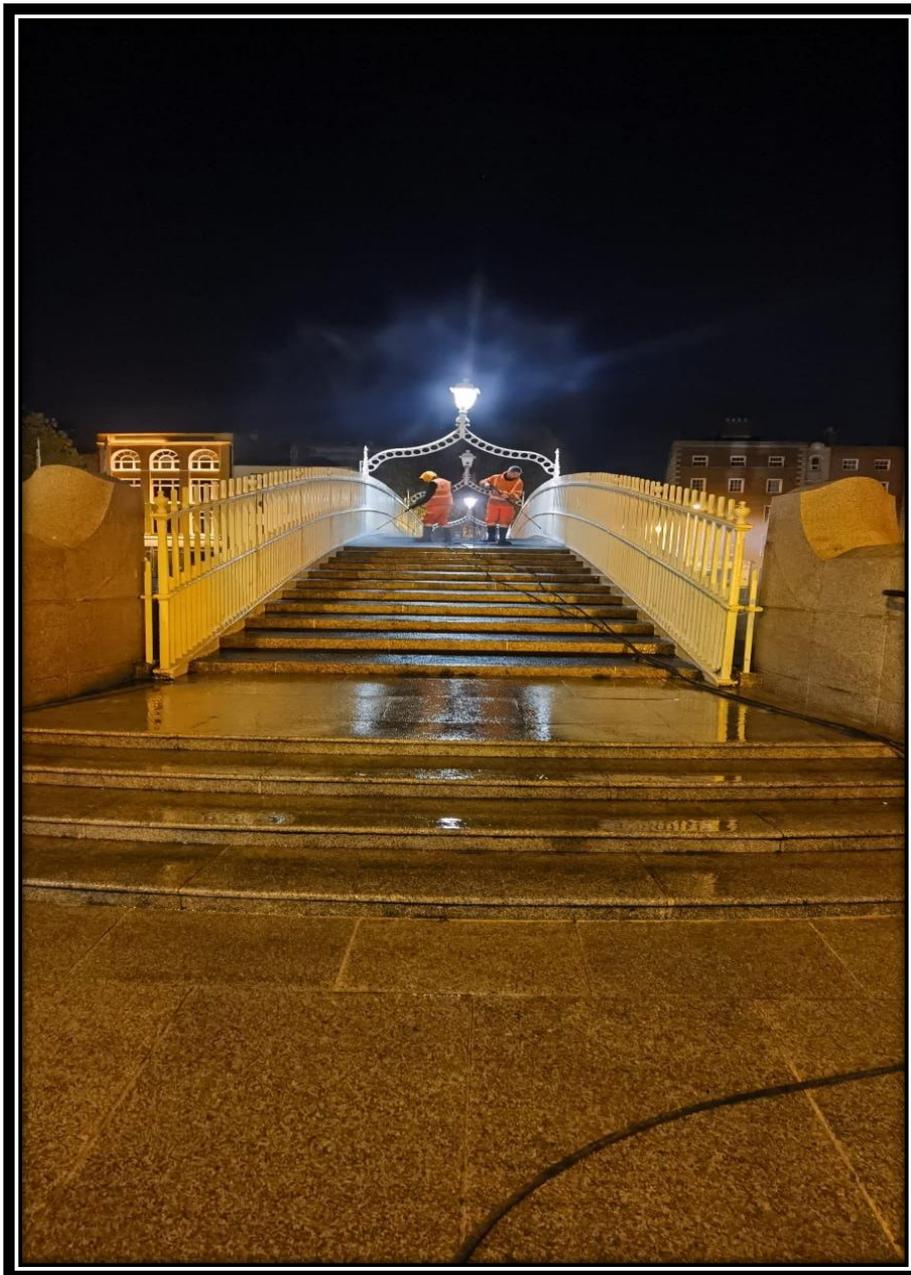

The Big Belly bins in the City Centre have had a facelift with the new Heritage Wrapping, we will be extending this initiative to the outer areas of the City Centre over the next few months. Good feedback has been received for their new look. All City Centre recycling bins are also due to be re-wrapped and is planned for 1st quarter 2023.

Bridges

As per September report there was a full clean of the Bridges in the City Centre completed by mid-November.

- Millennium Bridge
- O'Connell Bridge
- Ha'penny Bridge
- Sean O'Casey Bridge
- James Joyce Bridge
- Grattan Bridge
- Rosie Hackett Bridge

O'Connell Street

Concentrated efforts on O'Connell Street continue with daily monitoring and reporting of issues arising. Waste Management have a constant presence on the street and bins emptied on a continuous rolling basis.

Full repaint of standard bins will take place again pre-Christmas

The Public Domain Officer is working with our O'Connell Street traders in order to clean up their Newspaper Stands as they had been highlighted as a concern due to levels of Graffiti etc.

Grafton Street Area

DCC servicing of the Grafton Street Area has been significantly increased over the last number of months. As with O'Connell St all bins and bollards will receive a fresh coat of paint in the next few weeks before end January 2023. Waste Management have a continuous presence on the street and all issues that arise are actioned immediately. Grafton Street being the most popular Street for busking in the City is also continuously monitored by our Inspectors to ensure compliance with the Bye Laws.

Moore Street Market

The new market offering on Moore Street has been creating extra interest and footfall on the street over the past number of weeks. The Market will be running every weekend in December up to 23rd December 2022. As per pictures below Moore St like other City Centre Streets is getting significant extra attention from a Waste Management Perspective. 6 new Litter Bins were also installed on the street that had not been in place previously.

The Market dates for December as follows:

3rd and 4th, 10th, 11th, 17th, 18th and **22nd and 23rd(tbc)**

Henry St/Mary St Christmas Market

The annual Christmas Market is up and running since the 24th November. There are 46 traders on the Street this year. The Market was officially launched by Lord Mayor Caroline Conroy on Saturday 3rd December. The Casual Trading Inspectors are present each day to ensure that operations move smoothly. The market will cease this year on the 24th December and no stalls will be in place after that date.
