1	7013547		P&D Parking	BALLYMUN ROAD (NW)	Dublin 9	If we could introduce a 2 hour free parking for customers but thereafter a pay and display option would stop the all day parking that is currently occurring.	Not Recommended	The area engineer advises the business owners if they wish to apply for a Pay & Display parking scheme this can be applied for at the following link: https://www.dublincity.ie/residential/parking-dublin-city-centre/start . In order for the scheme to proceed, ensure that the following criteria, including a ballot of businesses in the vicinity, are met: https://www.dublincity.ie/residential/parking-dublin-city-centre/start . Once the criteria are met, please complete a transport service request form for the scheme to be considered at the following link: https://citizenhub.dublincity.ie/en/service/Traffic_Request	Councillor	30/01/2020	0
2	7029081		School Warden	GATEWAY AVENUE (NW)	Dublin 11	At the junction of Ballymun Road. New road opening	Not Recommended	Following a site inspection by the school warden supervisor, the number of unaccompanied children crossing the road did not meet the warrant for the provision of a school warden. Furthermore, it was noted that the majority of students were being picked up and dropped off in cars and not crossing the road unaccompanied. As such, a school warden is not recommended for Gateway Avenue.	Member of the Public	14/09/2022	0
3	7030203		School Warden	DANE ROAD (NW)	Dublin 11	School Warden for St. Joseph's National School.	Not Recommended	Following a site inspection by the school warden supervisor, the number of unaccompanied children crossing the road did not meet the warrant for the provision of a school warden. A school zone has been provided on Cairn Court with slow road markings, pencil bollards and polka-dot road markings. The issues identified on site related to parental parking behaviour and an Garda Síochána have been requested to visit the site. Further issues relating to parental parking during school times should be referred to an Garda Síochána or Dublin Street Parking Services (email info@dpsps.ie or tel. no. 01 602 2500) for enforcement.	Councillor	14/11/2022	0
4	7031021		Traffic Lights (new)	COULTRY ROAD (NW)	Dublin 9	Request for new traffic signals	Not Recommended	Not recommended – following an assessment, it was found that wait times at the junction of Santry Avenue and Forestwood Close were low and did not warrant the installation of new traffic signals. The junction flowed well at both AM and PM peaks. However, to ensure the smooth operation of this junction, the yellow box on Santry Avenue and stop line on Forestwood Close are to be submitted for repainting.	Member of the Public	11/01/2023	0
5	7031459		Yellow Box	BALLYGALL ROAD WEST (NW)	Dublin 11	a yellow junction box to be placed at junction	Not Recommended	Not recommended – following an on-site investigation, it was found that the junction of Ballygall Avenue and Ballygall Road West suffered from no issues at either AM or PM peak times. The junction was found to flow well with little congestion and low wait times for cars leaving Ballygall Avenue. As such, no changes are recommended at this time.	Councillor	07/02/2023	0

6	11132537	TRF48508	Double Yellow Lines (Rescind)	HILLCREST PARK (NW)	Dublin 11	Issue: Rescind original STAT for 45m of DYLS redo State for 25m Action: New Stat for 25m (excluding driveways) Time: 24/7	Recommended	Recommended - To reflect the changes made during the installation of the double yellow lines, the stat on Hillcrest Park is to be replaced with the following: STAT: On the west side of the carriageway of Hillcrest Park, from a point in line with the common boundary of Nos. 54/53, provide 25m of double yellow lines (RRM 008) in a northerly direction, around the bend (excluding driveways).	Internal	08/02/2023	0
7	11132849	TRF48668	Speed Ramps	GROVE WOOD (NW)	Dublin 11	Request Speed Ramps.	Not Recommended	Not recommended – following an assessment, it was found that Grove Wood does not meet the criteria for speed ramps. The criteria for the installation of speed ramps are: -The road should have a straight run of approximately 200 metres.- The 85th percentile speed (speed exceeded by 15% of vehicles) should exceed the posted speed limit. -Traffic volumes should exceed 60 vehicles per hour. -There should be genuine road safety concerns based on accident statistics or observed road safety patterns or a written report from an Inspector of the local Garda Síochána. As the criteria were not met, speed ramps are not recommended on Grove Wood.	Member of the Public	13/02/2023	0
