Central	D.C.C.	Constitution Hill, D.7	L.A. Housing-Regeneration	124	Stage 2 approval Part 8 Granted	Submit Stage 3 Application to DHLGH	2025 Phase 1
<p>Update:</p> <p>The redevelopment of Constitution Hill achieved Part 8 planning permission at the April 2023 Council meeting.</p> <p>The project proposal is for a mixture of deep retrofit, amalgamation and infill of the three existing housing blocks and for the provision of new housing blocks on the site. It is proposed that the project will be completed in two phases. The first phase involves the amalgamation and redevelopment of the northern housing block (block nearest to Broadstone depot) and a new apartment block on the northern end of the site. A multi-use childcare space will be provided as part of Phase 1. The second phase will provide for the redevelopment of the two other housing blocks, along with a new apartment block to the south of the site and a row of mews houses along the boundary wall at the rear of the site. The new scheme will provide 100% social housing, with a mix of one, two and three bedroom homes. The Area Housing Manager and her staff are continuing to update the residents on an ongoing basis.</p> <p>The next step will be the commencement of a soft strip survey of Block 1 which will require vacant possession. Based on the results of the soft strip survey, the documentation required for the tendering process will be finalised as part of the pre-estimates costs sent to the DHLGH in the Stage 3 application. It is anticipated following the necessary design, procurement and DHLGH approvals that a contractor will start Phase 1 in early Q1 2024 and complete in Q2 2025, while construction of Phase 2 will begin in Q3 2025 and complete in Q2 2027.</p>
