### Regeneration Projects in Development

Committee Area	Provider	Schemes	Funding Stream	Units	Current Stage	Next Milestone	Finish Date
Central	D.C.C.	<b>Constitution Hill, D.7</b>	L.A. Housing-Regeneration	<b>124</b>	Stage 2 approval Part 8 Granted	Submit Stage 3 Application to DHLGH	2025 Phase 1

**Update:**

The redevelopment of Constitution Hill achieved Part 8 planning permission at the April 2023 Council meeting.

The project proposal is for a mixture of deep retrofit, amalgamation and infill of the three existing housing blocks and for the provision of new housing blocks on the site. It is proposed that the project will be completed in two phases. The first phase involves the amalgamation and redevelopment of the northern housing block (block nearest to Broadstone depot) and a new apartment block on the northern end of the site. A multi-use childcare space will be provided as part of Phase 1. The second phase will provide for the redevelopment of the two other housing blocks, along with a new apartment block to the south of the site and a row of mews houses along the boundary wall at the rear of the site. The new scheme will provide 100% social housing, with a mix of one, two and three bedroom homes. The Area Housing Manager and her staff are continuing to update the residents on an ongoing basis.

The next step will be the commencement of a soft strip survey of Block 1 which will require vacant possession. Based on the results of the soft strip survey, the documentation required for the tendering process will be finalised as part of the pre-estimates costs sent to the DHLGH in the Stage 3 application. It is anticipated following the necessary design, procurement and DHLGH approvals that a contractor will start Phase 1 in early Q1 2024 and complete in Q2 2025, while construction of Phase 2 will begin in Q3 2025 and complete in Q2 2027.

Central	D.C.C.	<b>Dominick Street West</b>	L.A. Housing-Regeneration	<b>90</b>	Feasibility ongoing	Determine brief and delivery mechanism	TBC
---------	--------	-----------------------------	---------------------------	-----------	---------------------	---	-----

**Update:**

An appraisal process to examine the options for the delivery of public housing on this site at Dominick Street West is currently under review.

### Regeneration Projects in Development

**Update:**

The former ready mix site located on East Wall Road is one of three Dublin City Council sites included in Bundle 3 of the National Social Housing PPP Programme. Site location is accessible via this link <https://www.google.ie/maps/@53.3597734,-6.2385626,176m/data=!3m1!1e3>

The scheme will deliver 67 units comprising of 17no. One bed homes, 27no. Two bed homes and 23no. Three bed homes with 10% of the apartments being designed to Universal Design standards. The Project will deliver landscaped public/private open space and community facility, as part of the overall development. There have been a series of community consultations with local residents, Cllrs & Area Office officials.

Part 8 approval was granted at the July City Council meeting. Planning approval has been secured for all six sites in PPP Bundle 3 across Dublin, Sligo, Kildare & Wicklow. The OJEU/Tender notice has been updated to reflect planning approval and the programme is in the pre-qualification stage of procurement. The PQQ closing date has been extended by four weeks to 26<sup>th</sup> April 2023.

**Vacant residential property acquisitions:** We are currently negotiating the acquisition of **5** additional vacant residential properties under the buy and renew scheme. **Since this Buy and Renew scheme was introduced in 2018 and up to January 2023, D.C.C. have acquired 93 such properties and through the active engagement with owners of long-term vacant properties has initiated the return of an additional 53 properties to use in the City with a further 40 currently under refurbishment.** The Housing Department vacant housing register has recorded **1062** residential properties by accessing data from the CSO, Geo-directory, Vacanthomes.ie and internal databases.

Dublin City Council, Housing Development has undertaken **841** site inspections with a further **83** inspections scheduled and **28** title searches currently in progress.

The City Council has implemented the Croí Conaithe scheme (November 2022) which allows for a grant of €30,000 to be made available to applicants to return a long term vacant/derelict property to use in a timely manner. The grant may be increased up to a maximum of €50,000 if the property is derelict. The applicant must reside in the refurbished property. There are specific terms and conditions attached to the scheme which needs to be monitored into the future.

The City Council has to date received 22 number applications which are currently being processed.

The City Council continues to administer the RLS and enhanced RLS schemes and to date has received 22 applications for same.

13 number applications are for residential properties (RLS scheme) and 9 are for commercial properties (enhanced RLS scheme).

These applications have the potential for the delivery of a total number of 48 residential units.
