The area engineer does not recommend the disabled parking bay be relocated, as the only dished access for disabled drivers is at the corner of the footpath on Island Key at the junction with East Road. Not Recommended	The area engineer does not recommend 3.5 Tonne Limit signage on Victoria Lane. The lane is a cul-de-sac and is not used by lorries as a cut through. Delivery and bin Lorries need to access the road to collect the bins and carry out deliveries for the pub.  Please note that the weight limit does not apply to vehicles wishing to access a particular road to carry out deliveries.	Member of the Public	28/03/2023	0
8	7033342	P&D Parking (Extend Area)	IONA PARK (C)	Dublin 9	request extension of P&D area.	Recommended	The Area Engineer recommends Pay & Display and Permit Parking to be installed on sections of the east and west sides of Iona Park, between Iona Road and Lindsay Road (Mon-Sun 07.00-24.00). 9	7033402	TAG General Engineer Query	ORCHARD ROAD (C)	Dublin 3	review parking layout.	Not Recommended	The area engineer does not recommend marked parking bays on Orchard Road. The provision of designated parking bays would reduce the available road space, and create problems for residents. Furthermore, the road doesn't meet the criteria for the provision of marked perpendicular bays according to Design Manual for Urban Roads and Streets (DMURS), due the reduced carriageway width. No problems were observed regards parking at the aforementioned location. If residents wish to formalise parking on this road they can apply for a Pay & Display/Permit parking scheme on the link below. <a href="https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking">https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking</a> . 10	7033550	P&D/Permit Park (Change Hours)	SAINT GEORGE'S AVENUE (C)	Dublin 3	Change of days of operation from Monday-Friday to Monday-Sunday.	Recommended	Recommended to extend Pay & Display and Permit Parking Hours subject to a ballot of the residents.	Councillor	12/06/2023	0
11	7033802	Parking Restrictions	BOTANIC PARK (C)	Dublin 9	Parking at this location compromises residents access and egress from their homes. It hampers access for emergency vehicles.	Not Recommended	<p>The Area Engineer does not recommend any parking restrictions on Botanic Park, properties Nos. 16 and No.21 on this section of road are composed of driveways, which are less than 2m wide, which does help with parking. To place any parking restriction there would create parking prohibition across the residents driveways. Drivers are allowed to park across a driveway provided they have the consent of the occupier of the property.</p> <p>Dublin City Council policy is not to provide parking restrictions where they are already covered under the law. Under the current Road Traffic Regulations, Section 36 paragraph "(2) A vehicle shall not be parked: (g) in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises; (i) On a footway, a grass margin or a median strip".</p> <p>Instances of illegal parking should be reported to Dublin Street Parking Services, the City Council's parking enforcement contractor (Ph: 01-602 2500 or Email info@dsps.ie) or to the local Gardaí, as a matter for enforcement under the Road Traffic Regulations.</p> <p>Parking enforcement will be contacted to carry out enforcement on Botanic Park. If residents wish to formalise parking on Botanic Park they can apply to Dublin City Council for a Pay &amp; Display/Permit Parking Scheme.</p> <p>CLICK ON LINK PROVIDED BELOW <a href="https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking">https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking</a>.</p>	Member of the Public	26/06/2023	1

19	11139059	Double Yellow Lines	WALSH ROAD (C)	Dublin 9	request double yellow lines in front of Griffith park entrance.	Not Recommended	The Area Engineer does not recommend double yellow lines on Walsh Road, at the entrance of Griffith Park. A continuous white centre line was provided at the location. Under the current Road Traffic Regulations, Section 36 paragraph "(2) A vehicle shall not be parked - (d) on a section of roadway with less than 3 traffic lanes and where traffic sign number RRM 001 [continuous white line] has been provided." The provision of double yellow lines in this section would create a conflict of parking restrictions, as the double yellow lines allow people to load and unload for 30 minutes, therefore harder to enforce.	Member of the Public	07/06/2023	0
20	11139255	No Parking	LEIX ROAD (C)	Dublin 7	request no parking.	Not Recommended	The area engineer does not recommend additional parking restriction on Leix Road, at the junction with Imaal Road. 22	11139501	Double Yellow Lines	HARDIMAN ROAD (C)	Dublin 9	request double yellow lines	Not Recommended	It is not recommended to install double yellow lines at the aforementioned location. It is not current policy of Dublin City Council to install double yellow lines on junctions as it is already covered under the Roads Traffic Act (Traffic & Parking) Regulations Section 36 (c), a vehicle shall not be parked on a public road within 5 metres of a road junction. Provision of double yellow lines at this location may encourage drivers to actively load and unload as double yellow lines allow this for up to 30 minutes. Please note that instances of illegal parking should be reported to Dublin Street Parking Services, the City Council's parking enforcement contractor (Ph: 01-602 2500 or Email info@dsps.ie) or to the local Gardaí, as a matter for enforcement under the Road Traffic Regulations.	Member of the Public	15/06/2023	0
23	11139724	Single Yellow Line	WALSH ROAD (C)	Dublin 9	request a single yellow line.	Not Recommended	The area engineer does not recommend single yellow lines on Walsh Road. A continuous white centre line was provided at the junction with Ferguson Road. Under the current Road Traffic Regulations, Section 36 paragraph "(2) A vehicle shall not be parked - (d) on a section of roadway with less than 3 traffic lanes and where traffic sign number RRM 001 [continuous white line] has been provided." It was observed that the residences at the aforementioned location have off street parking. Dublin City Council does not provide residents only parking on public roads. Please note that instances of illegal parking should be reported to Dublin Street Parking Services, the City Council's parking enforcement contractor (Ph: 01-602 2500 or Email info@dsps.ie) or to the local Gardaí, as a matter for enforcement under the Road Traffic Regulations.	Member of the Public	20/06/2023	0
24	11139743	Double Yellow Lines (Rescind)	VILLA PARK GARDENS (C)	Dublin 7	request double yellow lines to be rescinded.	Not Recommended	The area engineer does not recommend the rescindment of double yellow lines at the entrance of the laneways in the vicinity of the house No. 29. The double yellow lines were installed to grant access to lorries and emergency vehicles, to prevent vehicles blocking access to the side road/laneway and to provide a better visibility for pedestrians accessing the laneways.	Member of the Public	21/06/2023	0
25	11140207	Children Crossing Sign	OSSORY ROAD (C)	Dublin 3	request signs for children at play and a speed limit of 20 km .	Recommended	Dublin City Council does not provide 20km/h speed limits at the moment. Ossory Road is in a 30km/h zone. The Slow Zone signs are located at the entry points to self-contained housing estates where a 30 km/h speed limit is implemented and a 'Slow Zone' is being created in the city. This sign warns motorists they are in a residential area and to expect children. The Area Engineer recommends the installation of a Children Crossing warning sign (W 142) on Ossory Road, 2.5m south from junction with Hibernian Avenue, and a Slow road marking (M 106) 8m north from the junction with Gaelic Street.	Member of the Public	28/06/2023	0
26	11140408	P&D/Permit Park (Extend Area)	HARDIMAN ROAD (C)	Dublin 9	request residents only parking restrictions.	Not Recommended	If residents feel that parking is an issue, and wish to apply for a pay and display/permit parking scheme, it can be done at the link below: <a href="https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking">https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking</a> . If the criteria is met, the area engineer will provide a map to be balloted by the residents.	Member of the Public	03/07/2023	0
