Dublin City Summit Series

- Economic Development and Enterprise SPC initiative
 - Each summit brings together stakeholders to share insights - to encourage collaboration, awareness and development regarding challenges.
- Previous Summits:
 - Brexit Summit 2016
 - Infrastructure Summit 2017
 - Apprenticeship Summit 2018
 - Social Enterprise Summit 2019
 - Reset Summit 2020

What is the NTE

- NTE is multi-layered:
 - range of sectors & stakeholders
 - includes cultural activity, entertainment, hospitality, festivals, sport, retail activity
 - activity between 18:00-06:00
 - enabled by well designed public realm & transport
 - activities to suit all ages
 - should be safe, flexible environment to work / socialise

Importance

- European Commission
 - “Every city has a night-time economy. Few cities study, understand and unlock the full potential of economic, cultural and social activity.”
- NTE = diversification of city economy, community cohesion and enrichment, attractiveness, opportunities
