2	7034658	Double Yellow Lines (Extend)	NEW IRELAND ROAD (SC)	Dublin 8	between property no.'s 149 Herberton Road and 120 New Ireland Road.	Recommended	The Transport Advisory Group recommends extending the Double Yellow Lines on the northern carrieway of New Ireland Road, D8, between property no.'s 149 Herberton Road and 120 New Ireland Road, tie-ing in with the existing Double Yellow Lines. This is to facilitate the residents of property no.'s 147 Herberton Road and no. 118 New Ireland Road accessing their driveways without having to manoeuvre around parked vehicles. A longterm solution to the parking problem on New Ireland Road and adjacent roads would be for the residents to apply for a Pay & Display and Permit parking scheme. It is the responsibility of the motorist to know and abide by the rules of the road.	Member of the Public	18/07/2023	0
