Traffic Management Draft Works Programme 2024- Package 11

Construction on Package 11 is expected to begin in September 2024

Location	Proposed Works	Budget
Cardiffsbridge Road	Uncontrolled crossing	
Glenties Park at Cardiffsbridge Road lower	Buildouts and uncontrolled crossing	
Barry Road/Avenue	Traffic calming measures to be investigated	
Balbucher Lane / Balcurris Park	Raised table	
Ferndale Road at Ferndale Avenue	Traffic island	
Seamus Ennis Road/North Road	Tactiles required – to be discussed with Active Travel as this maybe works the will make provision for	

Following a meeting with Traffic it was agreed that buildouts should include greening to enhance area also good for rain water. All of the above will be investigated & designs circulated in advance of works.
